Introducing a weekly spiritual practice for developing a strong and open heart drawn from Judaism's Mussar tradition
Mussar is a practice that draws from the vast storehouse of Jewish wisdom law revelation and text bringing it right home in a way that is completely practical Judaism teaches that Torah the collective wisdom of the tradition provides the blueprint for human experience and so the more of it we acquire the more we gain a clearer truer perspective on life and learn how to navigate its pathways The phrase acquiring Torah is code for the process of internalizing this wisdom to bring about a genuine transformation of the inner self In short accessible chapters this book describes forty eight methods through which we can acquire Torah and turns them into a straightforward practice These methods include cultivating humility joy awe good heartedness closeness with friends not taking credit for oneself judging others favorably and so on The fruit of working through each quality or method is a refined soul and a strong and open heart *Truth Seeker*, 1895 *The British National Bibliography* Arthur James Wells, 1993
