Tomorrow Graham Swift, 2010-11-05 From Graham Swift Booker Prize winning author of *Last Orders* comes a masterful and compassionate novel of rare emotional power and narrative skill On a midsummer's night Paula lies awake beside her sleeping husband She and Mike have been married for twenty five years a good marriage they have two teenage children Nick and Kate peacefully sleeping in their own nearby rooms But Paula's eyes won't close the next morning she and Mike have to tell the children something that will redefine all their lives Recalling the years before and after her children were born Paula begins a story that is both a glowing celebration of love possessed and a moving acknowledgement of the fear of loss of the fragilities illusions and secrets on which even our most intimate sense of who we are can rest As day draws nearer Paula's intensely personal thoughts seem to touch on all our tomorrows Brilliantly distilling half a century into one suspenseful night as tender in its tone as it is deep in its resonance *Tomorrow* is a magical exploration of coupledness parenthood and individuality and a unique meditation on the mysteries of happiness and belonging It's a week past your sixteenth birthday By a fluke that's become something of an embarrassment and that some people will say wasn't a fluke at all you were born in Gemini I'm not an especially superstitious woman I married a scientist But one little thing I'll do tomorrow today I mean but for a little while still I can keep up the illusion is cross my fingers Everything's quiet the house is still Mike and I have anticipated this moment we've talked about it and rehearsed it in our heads so many times that recently it's sometimes seemed like a relief it's actually come On the other hand it's monstrous it's outrageous and it's in our power to postpone it But after their sixteenth birthday we said and let's be strict about it Perhaps you may even appreciate our discipline and tact Let's be strict but let's not be cruel Give them a week Let them have their birthday their last birthday of that old life You're sleeping the deep sleep of teenagers I just about remember it I wonder how you'll sleep tomorrow from
