Selected Chinese tales of the Han, Wei and six dynasties periods ,2000* Han Wei Liu chao xiao shuo xuan ,2000

Hidden and Visible Realms ,2018-05-29 Chinese culture of the Six Dynasties period 220 589 saw a blossoming of stories of the fantastic Zhiguai records of the strange or accounts of anomalies tell of encounters with otherness in which inexplicable and uncanny phenomena interrupt mundane human affairs They depict deities ghosts and monsters heaven the underworld and the immortal lands omens metamorphoses and trafficking between humans and supernatural beings and legendary figures strange creatures and natural wonders in the human world Hidden and Visible Realms traditionally attributed to Liu Yiqing is one of the most significant zhiguai collections distinguished by its varied contents elegant writing style and fascinating stories It is also among the earliest collections heavily influenced by Buddhist beliefs values and concerns Beyond the traditional zhiguai narratives it includes tales of karmic retribution reincarnation and Buddhist ghosts hell and magic In this annotated first complete English translation Zhenjun Zhang gives English speaking readers a sense of the wealth and wonder of the zhiguai canon Hidden and Visible Realms opens a window into the lives customs and religious beliefs and practices of early medieval China and the cultural history of Chinese Buddhism In the introduction Zhang explains the key themes and textual history of the work 中国志怪小说史 ,2001 **A Study on the Influence of Ancient Chinese**

Cultural Classics Abroad in the Twentieth Century Xiping Zhang,2022-03-28 This book presents an extensive literary survey of the influence of ancient Chinese cultural classics around the globe highlighting a mammoth research project involving over forty countries or regions and more than twenty languages As the book reveals ancient Chinese culture was introduced to East Asian countries or regions very early on furthermore after the late Ming Dynasty Chinese knowhow and ideas increasingly made inroads into the West In particular the translation of and research on Chinese classics around the world have enabled Chinese culture to take root and blossom on an unprecedented scale In addition to offering a valuable resource for readers interested in culture the social sciences and philosophy the book blazes new trails for the study of ancient Chinese culture *Language Arts in Asia 2* Christina DeCoursey,2014-06-19 This volume is the second of a series deepening the research understanding and academic study of Language Arts as an English language teaching paradigm Previously used extensively in native speaking countries Language Arts has been taken up in the past decade in many parts of Asia Language Arts uses intrinsically motivating materials such as literature drama and popular culture to help students develop mastery of written and spoken language and text types In recent years Language Arts has embraced media and multiliteracies as well as critical and creative thinking intercultural sensitivity civics and ethics This volume offers a breadth of topics which embody methodologically sophisticated and contemporary language arts research These include multimodal analysis virtual environments the use of comics anime and film in second language teaching and learners experiences of drama and literary tourism The use of literature and the arts in humanist education has a long history within Europe It was

traditionally appreciated for its ability to instil ethics and finer sensibilities and teach leadership But the traditional program was marred by its function in inculcating and preserving elitist high culture voices texts and values The post colonial incarnation of Language Arts has been informed by critical and linguistic theory helping it to embrace a popular scope and include a wide array of authentic social and media texts The movement of English language teaching beyond native speaker shores has given rise to a vibrant variety of World Englishes whose literary and media works are now represented within Language Arts The explosion of media over the past few decades has given rise to an increasing array of media to use in language teaching These trends invite scholarly analysis and this is clearly reflected in the chapters in this volume

Linguistics has long had a connection to and a natural role to play in analysing the creative verbal and visual arts As a paradigm Language Arts now takes an inclusive view of the continuum of spoken written and performed languages and texts Cutting edge Language Arts research is now also supported through the new journal Language Arts and Linguistics Taylor and Francis
