Selected Essays on Music Vladimir Vasil'evich Stasov, 1968      **Sound Judgment** Richard Leppert, 2023-05-31 The essays in *Sound Judgment* span the full career of Richard Leppert from his earliest to work that appears here for the first time on subjects drawn from early modernity to the present concerning music both popular and classical European and North American. Noted for his path breaking interdisciplinary scholarship on music and visual culture the collection includes key essays on music's visualization in art practices in virtually all visual media including film. The fourteen essays comprising this volume demonstrate Leppert's many contributions to critical musicology particularly in the areas of aesthetics as well as social and intellectual history all of it grounded in a heterodox body of critical and cultural theory with the work of Theodor W. Adorno particularly noteworthy. The collection is preceded by an introduction in which Leppert traces his intellectual development defined in large part by the social cultural and political upheavals of the 1960s and their aftermath both in the academy and in society at large.

*Reading Music* Susan McClary, 2017-07-05 This outstanding collection of Susan McClary's work exemplifies her contribution to a bridging of the gap between historical context culture and musical practice. The selection includes essays which have had a major impact on the field and others which are less known and reproduced here from hard to find sources. The volume is divided into four parts: Interpretation and Polemics, Gender and Sexuality, Popular Music and Early Music. Each of the essays treats music as cultural text and has a strong interdisciplinary appeal. Together with the autobiographical introduction they will prove essential reading for anyone interested in the life and times of a renegade musicologist.

Music in the World Timothy D. Taylor, 2017-04-11 In music studies Timothy D. Taylor is known for his insightful essays on music globalization and capitalism. *Music in the World* is a collection of some of Taylor's most recent writings, essays concerned with questions about music in capitalist cultures covering a historical span that begins in the late nineteenth and early twentieth centuries and continues to the present. These essays look at shifts in the production dissemination advertising and consumption of music from the industrial capitalism of the nineteenth century to the globalized neoliberal capitalism of the past few decades. In addition to chapters on music capitalism and globalization *Music in the World* includes previously unpublished essays on the continuing utility of the concept of culture in the study of music, a historicization of treatments of affect and an essay on value and music. Taken together Taylor's essays chart the changes in different kinds of music in twentieth and twenty first century music and culture from a variety of theoretical perspectives.

**Selected Essays on Music** Vladimir Vasil'evich Stasov, 1968      *Music Theory, Analysis, and Society* Robert P. Morgan, 2017-07-05 Robert P. Morgan is one of a small number of music theorists writing in English who treat music theory and in particular Schenkerian theory as part of general intellectual life. Morgan's writings are renowned within the field of music scholarship; he is the author of the well known Norton volume *Twentieth Century Music* and of additional books relating to Schenkerian and other theory analysis and society. This volume of Morgan's previously published essays

encompasses a broad range of issues including historical and social issues and is of importance to anyone concerned with modern Western music His specially written introduction treats his writings as a whole but also provides additional material relating to the articles included in this volume

**Taking Popular Music Seriously** Simon Frith, 2017-07-05 As a sociologist Simon Frith takes the starting point that music is the result of the play of social forces whether as an idea an experience or an activity The essays in this important collection address these forces recognising that music is an effect of a continuous process of negotiation dispute and agreement between the individual actors who make up a music world The emphasis is always on discourse on the way in which people talk and write about music and the part this plays in the social construction of musical meaning and value The collection includes nineteen essays some of which have had a major impact on the field along with an autobiographical introduction

**Music, Performance, Meaning** Nicholas Cook, 2017-07-05 This selection of sixteen of Nicholas Cook's essays covers the period from 1987 to 2004 and brings out the development of the author's ideas over these years In particular the two keywords of the title Meaning and Performance represent critical directions that expand to the point that by the end of the book they become coextensive music is seen as social action and meaning as created by that action Within this overall direction a wide variety of topics is explored ranging from Beethoven to Schenker from Chinese qin music to jazz and rock from perceptual psychology to sketch studies and analysis of record sleeves A substantial introduction draws out the links and differences between the essays sometimes critiquing them and always setting them into the developing context of the author's work as a whole

**Music and Sexuality in Britten** Philip Brett, 2006-11-17 Publisher description

Musical Style and Social Meaning Derek B. Scott, 2017-07-05 Why do we feel justified in using adjectives such as romantic erotic heroic melancholic and a hundred others when speaking about music How do we locate these meanings within particular musical styles These are questions that have occupied Derek Scott's thoughts and driven his critical musicological research for many years In this selection of essays dating from 1995 to 2010 he returns time and again to examining how conventions of representation arise and how they become established Among the themes of the collection are social class ideology national identity imperialism Orientalism race the sacred and profane modernity and postmodernity and the vexed relationship of art and entertainment A wide variety of musical styles is discussed ranging from jazz and popular song to the symphonic repertoire and opera
