Pictures from the Heart Sandra A. Thomson, 2003-08-02 For hundreds of years people have turned to the tarot for guidance and focus in seeking answers to life s questions While millions use the Tarot regularly much of its history lore and symbolism remain obscure making it difficult for the user to get the deepest possible reading Also with hundreds of different decks available drawing on several major traditions finding the right deck the one that the Tarot user will find most sympathetic to their needs desires and usage can become an arduous task Pictures from the Heart provides hundreds of entries detailing the symbolism of the Tarot contrasting the various decks on the market as well as issues figures and topics of interest to the Tarot user For both the experienced and the neophyte user this tarot dictionary is a long awaited and essential resource The Syzygy Oracle - Transformational Tarot and The Tree of Life Heather Mendel, 2013-11-29 Syzygy Jung used the term to describe the balancing of the opposites Astronomically syzygy pronounced si zi gee refers to a specific conjunction of the sun moon and earth On Mother Earth the planet we call home we are profoundly influenced by the radiance of the sun as well as the reflected light of the moon as we walk between light and darkness physically and metaphorically Solar energy evolves the ego and lunar energy evolves our essence We learn the balance the two as we travel the twenty two pathways of Kabbalah s Tree of Life Honoring The Sacred Feminine the spiritual practice offered here is an invitation to recognize and welcome intuitive wisdom more definitively into everyday awareness A fresh interpretation of the traditional Major Arcana for women here the patriarchal layering of the cards is lifted to reveal a timeless and timely

revelation of intuitive wisdom in a sequence of insightful profound and empowering teachings for any woman who wishes to read her own life story as more substantive than superficial Twenty two of these cards reinterpret the Tarot's Major Arcana Aligning the cards with the twenty two letters of the Hebrew alphabet we access three levels of soul consciousness in Hebrew known as nefesh ruach and neshamah through the specific letter number and story of each card Meet inspirational archetypes from world culture to light the way Through meditations and mantras discover your personal hero's journey that is a crucial part of evolving consciousness Ten additional cards representing the sefirot or energy centers offer the Tree of Life as an experiential introduction to Kabbalah Coincidence and kabbalah symbols and synchronicities metaphors and mantras enrich and deepen life's experience This mythic and metaphoric interpretation liberates these cards solely from the realm of prognostication and presents a meditative and inspirational tool for a daily personal practice Heather Mendel's elegant powerful images full of mystery and complexity will forever change the way you view the wisdom of the ancient Tarot
