**Odette Mainville**

## **Luke Acts Angels Christology And Soteriology Wibunt Zum Neuen Testament No 294:**

**Luke-Acts** Crispin H. T. Fletcher-Louis, 1997      Luke-Acts: Angels, Christology and Soteriology Crispin H. T. Fletcher-Louis, 2019      **A Theology of Luke and Acts** Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts. In his writing, Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world. It is a message the church still needs today. Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture, providing readers with an in-depth and holistic grasp of Lukan theology in the larger context of the Bible. I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology. Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology.

**Luke as Narrative Theologian** Joel B. Green, 2020-11-05 This volume comprises studies by Joel B. Green on the Gospel of Luke and the Acts of the Apostles. These essays contribute to our understanding of the theological and narrative unity of Luke Acts by pursuing a variety of topics including conversion, happiness, poverty and wealth, prayer, miracles, baptism, Mary the mother of Jesus, and Christology.      The Spirit in Luke-Acts Odette Mainville, 2018-11-20 Odette Mainville's book *The Spirit in Luke Acts* is a most careful, enlightening, and fresh interpretation of the Holy Spirit's role in Luke and Acts from the surprising starting point of a single verse, Acts 2:33. I wholeheartedly endorse this book. William S. Kurz, S.J., Emeritus Professor of New Testament, Marquette University. As someone who has devoted a whole book to a theological exposition of Acts 2:33, I regard this as a most worthwhile endeavor. What emerges is a work that engages fully with the Spirit's vitality in the life of Jesus and in the mission of the church. William P. Atkinson, PhD, Senior Lecturer, London School of Theology. I warmly recommend this insightful reading of Luke Acts to you. It is filled with interesting exegesis and challenging observations. I trust that you will find this book as enjoyable, enriching, and edifying as I did. Robert P. Menzies, PhD, Missionary Scholar, China. From the foreword: Mainville's work integrates the central theme in Luke Acts in a way that traditional systematic theology does not, viz. Jesus's experiences with the Spirit toward the end of creating a community of prophets. Jon Mark Ruthven, PhD, Professor Emeritus, Regent University School of Divinity. Using a redactional and literary approach, Mainville demonstrates that the role of the Holy Spirit is not to be relegated to a mere appendage of Pauline soteriology. James B. Shelton, PhD, Professor of New Testament, Oral Roberts University. Mainville's work is helpful both for its engagement with traditional approaches and for its fresh contributions and insights. This is surely a welcome study. Craig S. Keener, PhD, Professor of Biblical Studies, Asbury Theological Seminary.      Bible 4a NT D Gospels & Acts B Commentaries Chi-Yuan David Wei, University of Aberdeen, 1995.

Thank you categorically much for downloading **Luke Acts Angels Christology And Soteriology Wibunt Zum Neuen Testament No 294**.
