Lurchers And Longdogs:

Lurchers and Longdogs Edward Geoffrey Walsh, 1977-01-01 **Practical Lurcher Breeding** , **Lurchers as Pets** Carol Baby, 2015-01-26 A beautifully illustrated guide to keeping lurchers as pets whether owning your dog from a puppy or adopting through a rescue charity With detailed information on all aspects of care and practical advice on ownership throughout *Lurchers as Pets* is essential reading for anyone considering owning a lurcher or wanting to better understand and care for their dog Further topics covered include puppy care and rescue lurchers diet grooming and health socialization and play training recall retrieve muzzle training and basic commands problem solving and behavioural issues and finally responsible lurcher ownership including legal requirements Comprehensively illustrated with 116 colour photographs by Liz Rodgers **In Pursuit of Coney** David Brian Plummer, 2001-04 *Our Debt to the Dog* Bryan D. Cummins, 2013-11-07 When Homo sapiens sapiens met Canis lupus lupus millennia ago the result was Canis lupus familiaris the domestic dog Since that fateful encounter the dog has become arguably humankind s greatest creation The domestic dog is the most widely distributed species other than ourselves in the world being found virtually wherever people live and is also the most diversified of species with literally hundreds of recognized breeds While we have shaped the dog it too has helped shape human history in innumerable ways *Our Debt to the Dog* is a critical historical and cross cultural examination through the use of case studies of this most improbable 15 000 year relationship and an exploration of how this relationship shaped the history of the world It is also very much an apology to the dog because over the course of the partnership horrific acts were perpetrated against it intentionally and otherwise *Our Debt to the Dog* enriches our understanding of the dog and extends our appreciation for the profound complexity of past and present human canine relationships and the dog s contributions to our lives and our world *Dogs of the Shepherds* David Hancock, 2014-08-31 *Dogs of the Shepherds* is a book for all those who admire the most valuable of all the working dogs the pastoral breeds sheepdogs cattle dogs and flock protection dogs the indispensable farmer s servants and companion dogs for thousands of proud dog owners across the globe Painstakingly researched and packed with information this book is not a manual covering training grooming nutrition and dog care it is very much a reflective review of the pastoral dogs contribution to the working and companion dog scene It is a searching examination of their past their performance and their prospects in an increasingly urban society Essential reading for all those with an interest in these handsome and quite admirable dogs and lavishly illustrated throughout **The English Whippet** E. G. Walsh, Mary Lowe, 2004-12 *The Working Bedlington* John Glover, 1999-03 **Saluki** Brian Patrick Duggan, 2014-01-10 One of the oldest known breeds of domesticated dogs the Saluki traveled throughout the Middle East with desert tribes who valued the dogs for their ability to hunt gazelles Famously painted on the walls of the Pharaohs tombs the Salukis history intrigued English dog enthusiasts who were instrumental in popularizing the breed and importing it to Europe and the United States in the early 20th century This book tells the story of those who brought the Saluki to the West

most notably Florence Amherst who discovered the dogs while in Egypt and went on to breed 50 litters Other world travelers who fell under the Salukis spell included Lady Anne Blunt Austen Layard and Gertrude Bell Also covered are lesser known Saluki aficionados mainly military officers who hunted with their hounds in Iraq Syria Palestine and Egypt and sought to replicate that experience at home Working Deerhounds, Lurchers and Longdogs Bill Doherty,2007-01-01 In Search of the Irish Wolfhound Owen Dickey,2024-04-28 The first of its kind In Search of the Irish Wolfhound takes a real in depth look into the history and origins of the Irish wolfhound **Going to the Dogs** Gwyneth Anne Thayer,2013-06-13 In the 1970s sitcom The Odd Couple Felix and Oscar argue over a racing greyhound that Oscar won in a bet Animal lover Felix wants to keep the dog as a pet gambling enthusiast Oscar wants to race it This dilemma fairly reflects America s attitude toward greyhound racing This book the first cultural history of greyhound racing in America charts the sport s meteoric rise and equally meteoric decline against the backdrop of changes in American culture during the last century Gwyneth Anne Thayer takes us from its origins in coursing in England through its postwar heyday and up to its current state of near extinction Her entertaining account offers fresh insight into the development of American sport and leisure the rise of animal advocacy and the unique place that dogs hold in American life Thayer describes greyhound racing s dynamic growth in the 1920s in places like Saint Louis Chicago and New Orleans then explores its phenomenal popularity in Florida where promoters exploited its remote association with the upper class and helped foster a celebrity culture around it By the end of the century media reports of alleged animal cruelty had surfaced as well as competition from other gaming pursuits such as state lotteries and Indian casinos Greyhound racing became so suspect that even Homer Simpson derided it In exploring the socioeconomic political and ideological factors that fueled the rise and fall of dog racing in America Thayer has consulted participants and critics alike in order to present both sides of a contentious debate She examines not only the impact of animal protectionists but also suspected underworld ties longstanding tensions between dogmen and track owners over racing contracts and the evolving relationship between consumerism and dogs She captures the sport s glory days in dozens of photographs that recall its coursing past or show celebrities like Frank Sinatra and Babe Ruth with winning racing hounds Thayer also records the growth of the adoption movement that rescues ex racers from possible euthanasia Today there are fewer than half as many greyhound tracks in half as many states as there were 10 years ago and half of them are in Florida Thayer s in depth meticulously balanced account is an intriguing look at this singular activity and will teach readers as much about American cultural behavior as about racing greyhounds **Levrier** Mario Canton,2015-11-15 Questo testo stato scrutto per dare una risposta a una domanda che molti appassionati di cani prima o poi si fanno perch molto spesso nelle razze levriere esistono due variet di soggetti quelli da esposizione e quelli da lavoro Non che questo succeda solo con i levrieri ma diciamo che la differenza risulta pi stridente a confronto con altre razze in cui spesso vi maggiore uniformit morfologica tra le linee da expo e le linee da prova o da impiego sul campo Il dualismo nei levrieri molto marcato e a volte le variet sono anche pi di due ad

esempio nel Greyhound troviamo tipologie da expo da corsa da coursing e da caccia tra l'altro con enti diversi che le tutelano. La risposta sta fondamentalmente nel tipo di pressione selettiva che viene effettuata sulla razza alla quale vengono attribuiti scopi e finalità diverse quindi anche la discendenza viene selezionata in modi e maniere diverse. Questo testo vorrebbe spiegare nel modo più lineare possibile perché logico che accade che destinazioni diverse di una razza portano a modifiche della stessa secondo un antico principio delle scienze biologiche per cui la funzione determina la forma e non il contrario.

Subject Catalog Library of Congress, 1979 **Levieri & Segugi Primitivi** Mario Canton, 2018-07-26 Questa seconda edizione digitale è stata integrata in gran parte con segnalazioni fatte dai lettori dopo l'uscita della prima edizione a stampa e digitale e della seconda edizione a stampa. Sono stati inseriti in particolare il Boher Windhond detto anche Boher Greyhound diffuso in Sudafrica il Cirneco di Lampedusa con segnalazione delle varianti di colore del Cirneco dell'Etna lo Slovensky Kopov e in generale di tutti i segugi che originano dalla Polonia sino alla Grecia comprendendo tutte le nazioni balcaniche e transilvaniche dell'Est Europa e le regioni delle Alpi Austriache. Sono segugi che pur utilizzando il naso per la cerca e lo scovo presentano un marcato utilizzo della vista nelle fasi di inseguimento e specialmente di contenimento della preda una volta raggiunta l'Alaunt e il Bull Arab.

Subject Catalog, 1979 Library of Congress, 1979 Tales of a Rat-Hunting Man David Brian Plummer, 2000-10 **Lepus** David Brian Plummer, 2000-10 **Adventures of an Artisan Hunter** David Brian Plummer, 2000-10 Account of Plummer's development as a hunter from boyhood exploits with lurcher and terrier to adulthood with many interesting digressions. Includes chapters on cock fighting and bird catching cooking and eating badgers foxes and rats hawks and hawking. Although Plummer often comes across as bonkers many of his apparently eccentric actions such as badger eating or covering himself with a concoction of badger grease and herbs were experiments to establish the plausibility of claims made by other writers. Being perpetually surrounded by people incapable of sharing this pioneering spirit of enquiry seems the source of his restlessness and the driving force behind the hundreds of books he wrote in his lifetime. This is not to say that Plummer did not have deep problems as he himself describes in Hancock's *My Life with Lurchers*.
