Packer, Donald Wiseman, 2017-05-02 The Complete Topical Guide to the Bible provides Scripture references definitions and cross references for the study of the Bible by topic The topical approach differs significantly from the lexical approach of a concordance and a topical guide is an essential supplement to a concordance While a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic A concordance would not yield John 3 16 for a study of grace because the word grace does not appear in the verse but The Complete Topical Guide to the Bible includes John 3 16 for grace because it is an essential verse on the topic The topics in this resource include biblical doctrinal and historical subjects and they are organized into nine major categories God Jesus Christ the Holy Spirit creation humanity sin and salvation God's people the life of the believer and the last things In addition to the great themes of the biblical message practical issues of Christian living are also included 2015 Günter Berghaus, 2015-07-01 The special issue of International Yearbook of Futurism Studies for 2015 will investigate the role of Futurism in the oeuvre of a number of Women artists and writers These include a number of women actively supporting Futurism e g R ena Z tkov Edyth von Haynau Olga Rozanova Eva K hn others periodically involved with the movement e g Valentine de Saint Point Aleksandra Ekster Mary Swanzy others again inspired only by certain aspects of the movement e g Natalia Goncharova Alice Bailly Giovanna Klien Several artists operated on the margins of a Futurist inspired aesthetics but they felt attracted to Futurism because of its support for women artists or because of its innovatory roles in the social and intellectual spheres Most of the artists covered in Volume 5 2015 are far from straightforward cases but exactly because of this they can offer genuinely new insights into a still largely under researched domain of twentieth century art and literature Guiding questions for these investigations are How did these women come into contact with Futurist ideas Was it first hand knowledge poems paintings manifestos etc or second hand knowledge usually newspaper reports or personal conversions with artists who had been in contact with Futurism How did the women respond to the positive or negative reports How did this show up in their oeuvre How did it influence their subsequent often non Futurist career **Index to Poetry in Music** Carol June Bradley, 2014-03-18 Encompassing both the
