Caruso, Owen J. Flanagan, 2018

Existentialisms arise when the foundations of being such as meaning morals and purpose come under assault In the first wave of existentialism writings typified by Kierkegaard Dostoevsky and Nietzsche concerned the increasingly apparent inability of religion and religious tradition to support a foundation of being Second wave existentialism personified philosophically by Sartre Camus and de Beauvoir developed in response to similar realizations about the overly optimistic Enlightenment vision of reason and the common good The third wave of existentialism a new existentialism developed in response to advances in the neurosciences that threaten the last vestiges of an immaterial soul or self Given the increasing explanatory and therapeutic power of neuroscience the mind no longer stands apart from the world to serve as a foundation of meaning This produces foundational anxiety In *Neuroexistentialism* a group of contributors that includes some of the world s leading philosophers neuroscientists cognitive scientists and legal scholars explores the anxiety caused by third wave

existentialism and possible responses to it Together these essays tackle our neuroexistentialist predicament and explore what the mind sciences can tell us about morality love emotion autonomy consciousness selfhood free will moral responsibility law the nature of criminal punishment meaning in life and purpose      **Exquisite Love** William K. Featherstone,1999-09-20 This major collection explores the contested nature of love and eroticism examining the ways in which erotic bodily pleasures have become central to contemporary consumer culture It investigates the spatial dimension of erotic life through considerations of Bohemian love the gay city and the ways in which the urban landscape and everyday life have become sexualized issues which have become central to the emergence of queer as a new form of gender politics and more general questions of sexual citizenship Drawing on the work of feminists sociologists and cultural theorists this book contains a wide ranging and accessible set of contributions to contemporary debates on sexuality love and eroticism *Love Erotici Lover's Embrace* C. Tremayne Hamm,2012-12-19 This collection of poetry encompasses over 20 years in the author's life These works highlight the author's journey along the trail of love lust sexual exploration longing loneliness and loss All of the highs and the lows that are experienced in one's pursuit of passion relationship and sex have been distilled into the poems collected in this book The Way of Selflessness: A Practical Guide to Enlightenment Based on the Teachings of the World's Great Mystics Joel Morwood,2019-04-15 Praised as a spiritual treasure by Huston Smith The Way of Selflessness is an authoritative guide for anyone who wishes to walk a mystical path and discover directly the truth testified to by the mystics of the world's spiritual traditions Drawing from the universal teachings and essential practices of the mystics from all the world's major religious traditions distilled and presented in generic terms suitable for all seekers The Way of Selflessness is appropriate for both those who belong to an established religion and those who do not **The Joy of Sex** Vicki Le

León,2013-01-29 Reveals tales of sex and love from ancient Greece Rome and other Mediterranean cultures offering insight into these civilizations' beliefs about contraception bisexuality cross dressing nymphomania and erotic practices **On the Darkness of Will** Nicola Masciandaro,2019-02-01T00:00:00+01:00 For the will desires not to be dark and this very desire causes the darkness Jacob Boehme Moving through the fundamental question of this paradox this book offers a constellation

of theoretical and critical essays that shed light on the darkness of the will its obscurity to itself Through indepth analysis of medieval and modern sources Augustine Pseudo Dionysius Eriugena Dante Meister Eckhart Chaucer Nietzsche Cioran Meher Baba this volume interrogates the nature and meaning of the will along seven modes spontaneity potentiality sorrow matter vision eros and sacrifice These multiple lines of inquiry are finally presented to coalesce around one fundamental point of agreement the will says yes yet only a will that knows how to say no to itself entering the silence of its own darkness will ever be free

*Dreams of Love and Fateful Encounters* Ethel S. Person, 2007-04-02 This groundbreaking study has been widely hailed for its focus on a human emotion generally considered impervious to rational analysis romantic passionate love Ethel Person views romantic love as a powerful agent of change arguing that it is as central to human culture as it is to human existence This new edition of *Dreams of Love and Fateful Encounters* emphasizes the relevance of passion not only to lovers but also to mental health professionals whose patients often enter treatment because of love related issues from the inability to love or make a commitment to the perils of extramarital love to love sickness or loss of love She forthrightly addresses not only the power of love to unlock the soul but also its inherent paradoxes and conflicts Employing a philosophical perspective in order to understand the existential dilemmas posed by love and a cultural perspective in order to understand its cultural variability Dr Person breaks with contemporary intellectual and philosophical dismissive assumptions about romantic love She acknowledges love s vital importance and power proposing that passion serves an important function not only for the individual but also for the culture while charging psychoanalysis with a reductionist emphasis on sexuality and psychopathology that has narrowed the focus of inquiry into love Among the issues she discusses are romantic love s sources in our early lives its relationship to imagination and creativity and its capacity to enable the lover to transcend the self how romantic love often demands a reordering of values and promotes personal growth by exposing the self to new risks and possibilities the transformational potential of transference love in the therapy process flaws in the common misperception that women are more influenced by romantic love than men considerations of homosexual love love across generations and love triangles focusing on the individual growth that can result from such relationships Citing accounts of love drawn from literature film and real life Person focuses on the lover s internal soliloquy and external dialogue with the beloved that can develop over an individual s life An uplifting resource for people experiencing failing or unorthodox romances *Dreams of Love and Fateful Encounters* boldly takes on issues pertinent to lovers to professionals who encounter patients for whom key conflicts revolve around romantic love and to anyone who has struggled to understand the importance of romantic love in his or her own life
