Martin Luther as He Lived and Breathed Robert Kolb, 2018-10-09 Luther's oft recounted life made a profound impact on his contemporaries. Some revered him, some hated him. This volume provides a brief narrative of the unfolding events that took place from his birth to a young entrepreneurial family through his turbulent career as university professor and public figure to his death while on a mission to reconcile a feuding princely family. Following parts of this narrative come interviews with friends and foes of his time taken from a variety of sixteenth century sources that present this dominating reformer and the passions that possessed both those who found him to be God's end time prophet and those who hated all that he stood for because they believed it was destroying their world.

Law & Gospel in Action Mark C. Mattes, Mark C. Mattes, John T. Pless, 2019-04-09 Mark Mattes' hope is not only to secure believers' consciences in Christ but also to reclaim theological and social turf which mainline Protestants have too quickly ceded to various secular agendas. The collected essays engage the reality of believers' death and resurrection in Christ and how that bears upon the life of faith while also attending to a wide range of relevant theological topics such as scriptural authority, apologetics, a critique of contemporary mainline Protestant and Evangelical Catholic ethics, a critique of Lutheran-Reformed ecumenism, and the church's mission and outreach. The collection concludes with several sermons based on Old Testament lessons seeking to show how the theology embedded in the essays can be used for proclamation.

Luther Scott H. Hendrix, 2009 Examines Martin Luther not as a reformer of the Catholic church or even the founder of the Protestant church but as a reformer of Christendom itself.

The Niebuhr Brothers for Armchair Theologians Scott R.

Paeth,2013-12-23 This volume offers a compelling introduction to the life times and theological thought of H Richard and Reinhold Niebuhr the two most important American theologians of the twentieth century Although the Niebuhr brothers shared the same heritage and experienced many of the same formative moments their thought diverged at key points as their lives and careers developed Scott R Paeth s expert introduction to the Niebuhr brothers explores this history and the enduring influence of the Niebuhrs on religious and political thought This lively introduction which includes witty illustrations from Ron Hill is an essential resource for understanding these enduring theological figures **Dorothy Day for Armchair Theologians** Elizabeth L. Hinson-Hasty,2014-01-01 Dorothy Day was more than an armchair theologian enjoying casual conversations about theology with friends from the comfort of her easy chair She was a theologian with street cred Day commands respect because of her experience living among with and as the marginalized Her awareness and knowledge of the challenges faced by people living in poverty stemmed from and were shaped by her relationships with them The presumed distance of academic objectivity does not apply to her story She did more than think and talk about her faith she embodied it She did more than challenge the failures of the Christian church or surrounding local community to address the needs of people in poverty she created new community from the introduction Prophetic Liturgy Tércio Junker,2014-02-07 The primary purpose of Prophetic Liturgy is to inquire into the prophetic dimension of the liturgy Some questions addressed in the book are How can a liturgy be prophetic How can liturgy form and transform individuals and communities In which sense does the liturgy facilitate a living participation in socio political economic life How does the sacramental practice challenge the church to mediate God s gifts of grace love justice and mercy to the world Possible answers for these questions begin to emerge as we develop an understanding of religious praxis as an active and dynamic prophetic action in which the community of faith claims its identity promotes an engaged faithful Christian life and affirms the sacramental life of the church as a source of formation and inspiration for prophetic praxis mediating God s gift for the life of the world There is risk in presenting an option for prophetic praxis in that it may go beyond the comfort zone of a community and engender spiritual and political alienation The most challenging ethical hope of this book is to provide the worshiping community with prophetic awareness of socio economic injustice while at the same time preserving the community s historical cultural identity its religious values and its sacramental spirituality Wesley for Armchair Theologians William J. Abraham,2005-01-01 This accessible study of John Wesley presents the founder of Methodism in an interesting and engaging way The intriguing illustrations make this an excellent introduction to the work of this important Christian figure *The Self-Donation of God* Jack D. Kilcrease,2013-03-20 In The Self Donation of God Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God s promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a

reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3 15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection

Radical Lutherans/Lutheran Radicals Jason A. Mahn,2017-06-09 Can a Lutheran be sociopolitically radical Can a radical be theologically and faithfully Lutheran This book answers yes Written by teacher scholars from five ELCA colleges *Radical Lutherans* *Lutheran Radicals* follows Martin Luther Soren Kierkegaard Dietrich Bonhoeffer Dorothee Soelle and others as they sink deep roots in the Lutheran Christian tradition while simultaneously resisting the status quo with their words their deeds and sometimes their very lives Each chapter shows how the Lutheran theologian returns to the roots of Luther s life and writing and puts them toward radical social and political ends including critiques of cultured Christianity resistance to state or market preferential options for the poor and suffering deep commitments to peace justice and ecological sustainability and direct nonviolent resistance The book highlights theological themes popularized by Luther justification by grace two kingdoms thinking theology of the cross and vocation and then shows how these theological staples when deeply and creatively retrieved can inform political protest intentional living and other countercultural movements The compelling claim throughout is that Luther s theology at its root has resources for radical political participation and social transformation as exemplified by the writings and lives of these radical Lutherans *Lutheran radicals*
