Luxembourg the Grand Duchy and Its People (Classic Reprint) George Renwick, 2015-07-03 Excerpt from Luxembourg the Grand Duchy and Its People The world appears to be fast outgrowing its Ruritania We are in an era of vast states and huge empires there is not a little land but is threatened more or less alarmingly by a powerful neighbour ready to throw out a bayonet bristling frontier and so add yet more to the fabric of wide dominion What Ruritania have gone to make our empires of to day and with their going what romance has ended What individuality and personality have often been swallowed up by the Moloch of Might crushed in the arms of Ambition But it is not only the imperial desire for the biggest possible place in the sun which is robbing the world of its Ruritania The Empire of Speed is one of the greediest About the Publisher Forgotten Books publishes hundreds of
