Luz Que Regresa:

La luz que regresa y otras historias Salvador Elizondo, 2007 , **Curso de física general** Eduardo Alcobé y Arenas, 1910 **La Escalera Que Te Llevará de Regreso Al Hogar** Agustín García Muñiz, Agustín García Muñiz, 2012-09 LA ESCALERA QUE TE LLEVAR DE REGRESO AL HOGAR Agustín García Muñiz Hacia el año 2000 cuando se suponía que todo apuntaba para el fin del mundo y su humanidad por quinta ocasión algo inesperado pasó que dejó en suspenso todos esos planes para sorpresa de muchos y disgusto de algunos Este cambio de planes se debió a importantes decisiones tomadas por las partes superiores de los seres humanos quienes están a cargo de este planeta Tal decisión consistió en optar por continuar por el camino de la evolución antes que por el de la autodestrucción Esto significa que esta humanidad ha decidido iniciar su proceso de ascensión junto con el del planeta Tierra A partir de la cancelación de las catastróficas profecías llega la nueva energía al planeta y con ella el cambio individual se volvió una prioridad aunque no por ello obligatorio Sin embargo por diferencia de vibraciones quienes no logren elevar suficientemente la suya preferirán abandonar el planeta para posteriormente regresar en calidad de ángeles con lo que aceptar el cambio les será mucho más fácil Muchas almas que han estado aquí en calidad de observadores simplemente se fueron para no volver pues su trabajo ha terminado Para todo aquellos seres que se quedan a apoyar el proceso de la ascensión les hemos preparado esta magnífica herramienta que hemos llamado la escalera con la cual podrán ascender tan rápido como se lo propongan en el menor tiempo posible Cuando te decidas a subirla con intención pura te darás cuenta que al fin el rompecabezas de tu vida se empieza a armar y una vez que la hayas subido tendrás la sensación de haber llegado a descansar a tu dulce hogar luego de una ardua jornada Por ahora yo me encuentro muy ocupado subiendo y te invito a que te abandones al cambio y hagas lo mismo Tu vida jamás será la misma

Bestiario Lourdes Vázquez, 2004 Traditionally a bestiary is a collection of fables about actual or mythological animals In this collection however Lourdes Vazquez has crafted a bestiary of different sort with a compilation of sensuous poetry in which insects animals and strangers reflect her experience as a Caribbean in exile The poems resound with humor and grief turn catastrophe into renewal and playfully explore what happens in a world where the relationship between humans and beasts is still intact At times edgy this poetry is never cold It is instead vibrantly alive flowing in a confluence of desire and anger passion and cool appraisal **Ellos** Sandra Castrillón, 2017-02-14 Es una edad en la que está perdida No es posible recordar con claros trazos cronológicos sobre todo cuando regresa a ese tiempo donde se interna en el laberinto del que no
