The Medusa Reader Marjorie Garber, Nancy J. Vickers, 2013-10-11 Fascinating and terrifying the Medusa story has long been a powerful signifier in culture with poets feminists anthropologists psychoanalysts political theorists artists writers and others Bringing together the essential passages and commentary about Medusa *The Medusa Reader* traces her through the ages from classical times through the Renaissance to the pop culture art and fashion of today This collection with a critical introduction and striking illustrations is the first major anthology of primary material and critical commentary on this most provocative and enigmatic of figures

Medusa Stephen R. Wilk, 2007-11-15 Medusa the Gorgon who turns those who gaze upon her to stone is one of the most popular and enduring figures of Greek mythology Long after many other figures from Greek myth have been forgotten she continues to live in popular culture In this fascinating study of the legend of Medusa Stephen R Wilk begins by refamiliarizing readers with the story through ancient authors and classical artwork then looks at the interpretations that have been given of the meaning of the myth through the years A new and original interpretation of the myth is offered based upon astronomical phenomena The use of the gorgoneion the Face of the Gorgon on shields and on roofing tiles is examined in light of parallels from around the world and a unique interpretation of the reality behind the gorgoneion is suggested Finally the history of the Gorgon since classical times is explored culminating in the modern use of Medusa as a symbol of Female Rage and Female Creativity

Medusa Kris Hirschmann, 2011-08 In the Greek mythological pantheon the Gorgon Medusa stands a head above all others in her power to terrify This book gives readers a close up look at this snake haired horror Starting with details about Medusa s history physical features and supernatural powers the text continues with a retelling of the classic myth of Perseus It then takes a look at some of Medusa s other manifestations in classic art and literature as well as her role in modern pop culture From fable to film sculpture to song the Gorgon continues to work her ancient magic on modern audiences

Medusa Xavier Niz, 2005 Tells the story of Medusa Perseus quests to kill her and describes the role of myths in the modern world

Medusa David Leeming, 2013-06-01 With her repulsive face and head full of living venomous snakes Medusa is petrifying quite literally since looking directly at her turned people to stone Ever since Perseus cut off her head and presented it to Athena she has been a woman of many forms a dangerous female monster that had to be destroyed an erotic power that could annihilate men and thanks to Freud a woman whose hair was a nest of terrifying penises that signaled castration She has been immortalized by artists from Leonardo da Vinci to Salvador Dal and was the emblem of the Jacobins after the French Revolution Today she s viewed by feminists as a noble victim of patriarchy and used by Versace in the designer s logo for men s underwear haute couture and exotic dinnerware She even gives her name to a sushi roll on a Disney resort menu Why does Medusa continue to have this power to transfix us David Leeming seeks to answer this question in *Medusa* a biography of the mythical creature Searching for the origins of Medusa s myth in cultures that predate ancient Greece Leeming explores how and why the mythical figure of the gorgon has become

one of the most important and enduring ideas in human history From an oil painting by Caravaggio to Clash of the Titans and Dungeons and Dragons he delves into the many depictions of Medusa ultimately revealing that her story is a cultural dream that continues to change and develop with each new era Asking what the evolution of the Medusa myth discloses about our culture and ourselves this book paints an illuminating portrait of a woman who has never ceased to enthrall

Medusa's Mirrors Julia M. Walker,1998 The question of selfhood in Renaissance texts constitutes a scholarly and critical debate of almost unmanageable proportions The author of this work begins by questioning the strategies with which male writers depict powerful women Although Spenser s Britomart Shakespeare s Cleopatra and Milton s Eve figure selfhood very differently and to very different ends they do have two significant elements in common mirrors and transformations that diminish the power of the female self

Medusa and Pegasus Amy Hayes, 2015-07-15 Medusa and Pegasus have a unique place in Greek mythology and tradition Their stories have been passed down from generation to generation This book explores the stories that created them discusses their importance throughout history and examines their significance today Medusa's Ear Dawne McCance, 2012-02-01 In traditional mythology and iconography Medusa's killing powers are attributed to visual means the monster is slain for her looks and her effect is to kill men for looking at her Challenging the familiar account of the modern era as ocularcentric this book reads the Medusa effect on the philosophy of the modern research university as rooted in an audiocentric fantasy Author Dawne McCance links phonocentrism to an aural imaginary by tracking the trope and terror of the deaf ear and mute mouth in the discourse on the university that was inaugurated by Kant and that extends through Hegel and Heidegger to the present She shows how repeatedly in founding texts on the modern research university the philosopher's fearful recoil from an animal female figure that he defines as deaf and dumb has the effect the Medusa effect of cutting off his own and therefore the institution's ear and tongue McCance also considers some recent efforts to shake the modern institution out of its Medusa effect petrification *Medusa's Child* John J. Nance, 2016-01-19 A pilot races through the sky to stop a nuclear catastrophe in this compelling thriller by the New York Times bestselling author of Pandora's Clock People Vivian Henry hasn't heard her ex husband's voice in three years but it still fills her with fear Dangerous and brilliant Dr Rogers Henry is calling because he's dying He offers Vivian a fortune in insurance money if she'll carry out one final task for him Take the Medusa device to Washington DC The Medusa is his life's work a thermonuclear bomb capable of knocking out all modern technology in the country and he wants her to deliver it to the Pentagon before it falls into the wrong hands Cargo plane captain Scott McKay is miles above the ground when the Medusa begins to speak A recording of Dr Henry's voice announces that the device is active and about to explode With nowhere to land Captain McKay must rely on his instincts and fly like he has never flown before to prevent a worldwide apocalypse Medusa's Child proves once again that John Nance is the king of the modern day aviation thriller Publishers Weekly *Medusa's Cause* P. E. Zimmerman, 2012-11-30 Love is immeasurable On an isolated cape high above a churning sea a mysterious young woman of enchanting beauty enters a lonely temple Lulled there by inconceivable desire it is a clandestine meeting that will forever alter her fate Wishing only to capture the love of a god she instead commits a grievous act of sin against an angry goddess and sets in motion a chain of events that not only tears her world apart but those that love her as well In a world ruled by men and explained by myth two

brave sisters must break the rules and embark on a perilous journey Divided by difference yet united by a singular cause they must go out into a world that is at once cruel and capricious a world which often views and treats women as being no better than slaves It is a journey that will take them across the width and breadth of ancient Greece From the highest of mountains to the deepest of valleys to the most fabled of lands where myths come to life and futures are told and finally to the dark confines of the Underworld itself in search of answers It is a journey that will see them pitted against unforeseen challenges and dangers and at times against each other But as their journey of struggle and discovery unfolds something unusual begins to take shape and the question of what happened to their sister is invariably replaced with one of a much deeper meaning How far would you go to save the soul of someone you love **Medusa's Secret** D.A. Henneman,2021-10-20 In Ancient Greece sometimes death is only the beginning Medusa s human form granted by the virgin goddess has always been enough for her Until now No longer a virgin Medusa now faces banishment from the temple and Athena s legendary wrath Perseus s love for Medusa breeds poison when kept a secret from all who live on Mt Olympus To have a life together the couple must air the truth even if it shakes the foundation of the Parthenon Medusa struggles to embrace her monstrous past as Perseus is faced with a choice to embrace a hero s life or to follow his heart s desire The collision of their destinies forces them into a world that neither imagined Medusa's Sisters Lauren J. A. Bear,2024-07-30 A vivid and moving reimaging of the myth of Medusa and the sisters who loved her Even before they were transformed into Gorgons Medusa Stheno and Euryale were unique among their immortal family Curious about mortals and their lives Medusa and her sisters entered the human world in search of a place to belong yet quickly found themselves at the perilous center of a dangerous Olympian rivalry and learned too late that a god s love is a violent one Forgotten by history and diminished by poets the other two Gorgons have never been more than horrifying hags damned and doomed But they were sisters first and their journey from lowly sea born origins to the outskirts of the pantheon is a journey that rests hidden underneath their scales Monsters but not monstrous Stheno and Euryale will step into the light for the first time to tell the story of how all three sisters lived and were changed by each other as they struggle against the inherent conflict between sisterhood and individuality myth and truth vengeance and peace *Medusa's Redemption* Evangeline Moonwhisper, The island of Sarpedon rose from the Aegean Sea like a jagged crown of black stone its cliffs eternally shrouded in mist that seemed to whisper warnings to any sailor brave enough to venture near For three centuries no mortal had set foot upon its shores and lived to tell the tale The very mention of its name sent shivers through the bravest of heroes for it was here that Medusa dwelt in her exile the once beautiful priestess transformed into a monster whose gaze could turn flesh to marble in an instant Medusa stood at the edge of her temple s crumbling steps her serpentine hair writhing gently in the ocean breeze The golden snakes that had replaced her once flowing locks caught the dying light of sunset their scales glimmering like precious metal She had learned long ago not to look at her reflection in the pools of water that dotted her domain for even she could not bear to see what she had become

Her emerald eyes once praised by poets as more beautiful than precious gems now held the terrible power of petrification Around her temple stood a grotesque garden of stone figures sailors merchants and would be heroes who had sought either to claim her head as a trophy or to gawk at the monster she had become Each statue bore the expression of their final moment frozen in eternal terror The curse had been Athena s punishment for a crime that was not truly her own Medusa had been the most devoted of the goddess s priestesses sworn to eternal chastity and service But Poseidon god of the seas had forced himself upon her within Athena s very temple Instead of punishing her uncle Athena had blamed Medusa for the defilement of her sacred space transforming the innocent priestess into a creature so hideous that no man could look upon her and live

Medusa's Stony Stare Jessica Gunderson,2011-07 Medusa once a bewitching beauty has become a hideous monster with snakes for hair When men look at her they turn to stone Whe King Polydectes sends Perseus for Medusas head he thinks Perseus will soon be another one of Medusas stone men Or will he [Medusa's Butterfly](#) Simon Rae,2014-07-03 A box is left on Marcus s doorstep in the rain Fussy Aunt Hester has told Marcus not to open the front door under any circumstances But she s out and just this once can t hurt can it Except the parcel isn t embroidery supplies for Aunt Hester Or fishing tackle for Uncle Frank Whatever is in there it s alive And it s ANGRY The thing in the box sends Marcus s life spinning horrifyingly out of control controlling his mind and testing his will so that every moment is deadly Can Marcus overcome the pull of the Gorgon s gaze and use her power for good Because he received that box for a reason but he must find out what it is before the terrible beautiful Medusa turns everyone he holds dear to stone and then comes for him Laced with myth this modern story positively writhes with horror and suspense A terrifying unputdownable read for fans of Percy Jackson and Harry Potter
