Massachusetts & Western Connecticut Adventure Guide Elizabeth Dugger,2009 I bought this travel guide out of curiosity when I went back home to visit my parents I grew up in N H went to school at UCONN and spent a lot of time in Massachusetts so I am familiar with the area Sometimes when you live in a place however you take your home for granted and don't see the sights in your back yard Traveling 1500 miles back home however I felt like I needed to get my moneys worth the sure sign of a native east coaster This book led me to some incredible old towns and restaurants and shops that I had missed while living there I highly recommend the book It was great to have it on my laptop because after work I was able plan the remainder of my day in a snap Amazon reviewer I've been toting Elizabeth L Dugger's new Adventure Guide to Massachusetts Western Connecticut around for about a month now ever since I received it I had all the best intentions of being the first reviewer to publish my commentary on the travel guide but with one project after another eating up my hours I'm not sure that I can claim that honor I have however really bulked up my biceps by lugging the Adventure Guide around In a word the book is massive and before I ever lifted the cover I was perplexed as to how Dugger could possibly have found enough bungee jumping cliff diving and vine swinging type adventures in the stately and somewhat subdued states of Massachusetts and Connecticut to fill 496 pages When I opened to page 113 to find a section on Antique Shopping on Cape Cod I was surprised and delighted to realize that the range of adventures Dugger suggests includes those that pose great danger only to my credit card balance In the book's introduction Dugger explains that adventure travel doesn't have to mean hanging from a cliff by your fingernails Her enormous catalog of exciting escapes includes family friendly ideas outdoor fun for people of all ages and abilities out of the ordinary sightseeing suggestions and of course the full complement of hiking biking fishing boating and other recreational opportunities in central New England Adventure travel makes you feel alive wakes you up to yourself as well as to your surroundings Dugger explains Just being in open lands or along the coast most of the time can give you that get away feeling Adventure travel gets the blood flowing the heart pumping Also the author of the Adventure Guide to New Hampshire and the Adventure Guide to Vermont Dugger quickly debunks the notion that Massachusetts is a tamer less challenging playground than its mountainous northern neighbors After a brief introductory

section that includes a short history of Massachusetts a map of and information on getting to the region road rules and safety information on such important topics as avoiding bears the book is broken up into six regional chapters the Seacoast Region Boston and Nearby Adventures Central Massachusetts the Pioneer Valley the Berkshires and the Litchfield Hills of Connecticut Within each geographic section adventures are organized in category groupings On Foot On Horseback On Wheels On Water On Snow Ice and In the Air Each chapter has information on Eco Travel and where to Stay Eat as well While the emphasis of this guide is decidedly on the outdoors and on planning a Massachusetts vacation that takes you to the lesser known attractions that the state offers it is actually one of the most comprehensive and delightful guides to the region available While many travel guides contain the obligatory paragraph on each historic attraction and sightseeing venue the Adventure Guide to Massachusetts Western Connecticut artfully leads the traveler to those awe inspiring stimulating and unique excursions that are likely to make for a most memorable trip Detailed maps black and white photos cute graphics and sidebars on special events kid friendly and accessible spots recommended reading and more *Trail Guide to U.S. Geography* Cindy Wiggers,2007-08 [Explorer's Guide 50 Best Hikes in New England: Day Hikes from the Forested Lowlands to the White Mountains, Green Mountains, and more](#) Marty Basch,2014-06-02 No matter where you are in the great Northeast there are bound to be excellent walking trails No matter where you are in the great Northeast there are bound to be excellent walking trails This collection of 50 of New England's can't miss hikes takes you from the relatively flat lands and easy rambles of Rhode Island to prime hiking real estate in Connecticut from challenging terrain in the Pioneer Valley and Berkshires of Massachusetts to breathtaking seaside treks in Maine's Acadia National Park Find great hikes to the heights of New Hampshire's White Mountains and over to the verdant Green Mountains of Vermont all the best hikes in New England are no more than a few hours from each other so you'll want to keep this guide close at hand [100 Classic Hikes in New England](#) Jeff Romano,2010-02-24 [CLICK HERE](#) to download author Jeff Romano's favorite hike from 100 Classic Hikes in New England New England states covered Maine New Hampshire Vermont Massachusetts Connecticut and Rhode Island Only full color guidebook to the region's best hiking trails Hikes suitable for all fitness levels and abilities The wilderness of New England is a gold mine for hikers offering an abundance of rolling hills mountains jagged coastline and lakes Historic trails are well worn into the New England landscape inviting outdoor enthusiasts to undertake epic backpacking adventures or short satisfying day hikes This new guidebook covers the best trails in six states including hikes on the Appalachian Trail the lush hills of Maine the White Mountains of New Hampshire the Long Trail in Vermont the Massachusetts coast the dense forests of Connecticut and the wildlife sanctuaries of Rhode Island Written by a New England native this trails guidebook provides measured distances and times for each hike as well as difficulty ratings elevation gain permitting information and more Follow along with author Jeff Romano on his Facebook page to hear about the latest reviews see images of hikes from the book and tap into a wealth of knowledge regarding great hikes in New England **DK Eyewitness Travel Guide: New**
