biographies and monographs Pogue has now completed a truly great biography fully worthy of its extraordinary subject that reveals and explains his character as well as the numerous issues with which he was associated. All four of Pogue's volumes stand as a model in the field of biography and a fitting tribute to the author as well as the subject. Mark A. Stoler, *The Historian*. With this volume Forrest Pogue cements his place alongside such giant biographers as Douglas Southall Freeman and Carl Sandburg. Throughout this volume Pogue elegantly portrays Marshall the soldier, Marshall the statesman, and Marshall the man. Albert M. Bottoms, *Naval War College Review*. Pogue rightly stresses Marshall's importance in the transition from the Pax Britannica to the Pax Americana. Callum A. MacDonald, *Reviews in American History*. This is political biography at its best. Pogue has mined the Marshall Papers and various government archives and private manuscript collections and he has mastered the vast secondary literature of the postwar period. A pioneer in the field of oral history, he fills in crucial details and adds telling anecdotes from hours of interviews with Marshall and his associates. In its mastery of detail, its clarity and simplicity of style, even in its understatement, this is a biography worthy in every respect of the man generally acknowledged to be the greatest American statesman of this century. George C. Herring, *The Register of the Kentucky Historical Society*. Pogue provides an excellent, sometimes meticulous tracing of the general course of events and American decision making. He has contributed a massive amount of information and produced a lengthy but readable account of American foreign and military policy during the Truman administration. James L. Gormly, *The History Teacher*. Pogue's selection and use of sources is impeccable; he skillfully blends traditional documentary evidence and oral history interviews. Ronald E. Marcello, *The Oral History Review*. [The Military 100](#). Lt. Col. (Ret.) Michael Lee Lanning, 2012-08-24.
