

MACHINE GUN MADNESS

Machine Gun Madness

Eddie Brady

Machine Gun Madness:

Machine Gun Madness Jon Sharpe, 1989 Canyon O Grady matches wits with a host of adversaries from foreign agents to Southern malcontents as he seeks to protect Hiram Merchant's lovely daughter and his deadly new invention

Tommy Karen Blumenthal, 2015-06-30 John Taliaferro Thompson had a mission to develop a lightweight fast firing weapon that would help Americans win on the battlefield His Thompson submachine gun could deliver a hundred bullets in a matter of seconds but didn't find a market in the U S military Instead the Tommy gun became the weapon of choice for a generation of bootleggers and bank robbing outlaws and became a deadly American icon Following a bloody decade and eighty years before the mass shootings of our own time Congress moved to take this weapon off the streets igniting a national debate about gun control Critically acclaimed author Karen Blumenthal tells the fascinating story of this famous and deadly weapon of the lives it changed the debate it sparked and the unprecedented response it inspired Collier's, 1918

Murder Madness Murray Leinster, 2010-10-01 Murder Madness Seven Secret Service men had completely disappeared Another had been found a screaming homicidal maniac whose fingers writhed like snakes So Bell of the secret Trade plunges into South America after The Master the mighty unknown octopus of power whose diabolical poison threatens a continent

Catch-22 Joseph Heller, 1999-10-05 The story of a group of fliers in the Mediterranean during World War II **The Beastly Battles Of Old England** Nigel Cawthorne, 2011-10-06 Throughout history the English have been a warlike lot Often we fight among ourselves there have been a good few civil wars and when we were not slaughtering each other we practiced on our neighbours the Scots the Irish the French When that got too easy we set off around the world to find other people to fight This was usually done with a hubris that invited some ludicrous pratfall In THE BEASTLY BATTLES OF OLD ENGLAND Nigel Cawthorne takes us on a darkly humorous journey through some of our ill advised military actions From the war over a severed ear to a general seeking out his rival's mistresses to even the score it is a miscellany of insufferable arrogance reckless gallantry stunning stupidity massive misjudgements and general beastliness *The Reader's Digest*, 1926

Descent Into Madness Christine Slingerland, 2010-12 Descent Into Madness by Christine C Slingerland **One Chance** Terroll Lewis, 2021-01-21 It'd be easy for me to go back to my old life but I know where that old life leads you You're either behind prison bars or six feet underground Terroll Lewis has lived a crazy life Growing up on Brixton's Myatt's Field estate he was surrounded by gang culture and like so many other young people he found it hard to resist the lifestyle By the time he was 15 he had already joined a gang been stabbed shot at and was selling drugs A chance to play professional football offered a way out but the lure of an easier life the promise of girls money and cars led him back to South London and the notorious OC or Organised Crime gang Violence and drug dealing were the norm in OC but Terroll has long since turned his back on this world though the association with OC endures through the ink on his skin These days Terroll's giving something back Block Workout a street gym he founded in his old neighbourhood gives young men an opportunity to follow a different

road to the one he took during his adolescence helping them develop their minds as well as their bodies and the chance to live a better life

The First VCs Mark Ryan, 2014-07-07 What would you do if you were struck by an enemy bullet in wartime then realised you were still alive For most of us that would be the end of our fight If we were capable of thought while we tried to cope with the pain we d probably hope to be rushed to hospital so that someone could save our lives But a hundred years ago in the opening battle of the First World War at Mons two young men didn t react like that Lieutenant Maurice Dease and Private Sidney Godley born only weeks apart into sharply contrasting worlds shared the same defiance and steely streak Without a thought for themselves they went back into the action for more sustaining dreadful wounds in the process One man died the other lived pieced back together painstakingly by the Germans who had taken many casualties of their own while overrunning the British position Together and against the odds Dease and Godley became the first winners of the Victoria Cross in the First World War Here Mark Ryan uses contemporary documentation and images to tell their astounding fascinating stories putting the focus on two genuine and ordinary heroes of the Great War

The Glorious Madness - Tales of the Irish and the Great War Turtle Bunbury, 2014-10-17 From tragic generals to nuns on the run the extraordinary stories of the Irish on the frontlines of the First World War that you ve never heard before Based on first hand accounts of the First World War The Glorious Madness is a collection of character portraits and stirring anecdotes that brings to life the hopes fears and ambitions that defined the generation of Irish men and women lost to the catastrophe of the first great modern war From the generals and field commanders through to the troopers and nurses on the front lines from the trenches of the Somme to the beaches of Gallipoli the Irish served at every turn in the Great War Popular historian Turtle Bunbury is renowned for uncovering important forgotten stories from our past Here he reveals many never before heard tales of the Irish heroes and heroines whose lives coincided with one of the most brutal conflicts our world has ever known including nuns artists sportsmen poets aristocrats nationalists nurses clergymen and film directors From the dramatic story of the nuns of Ypres and their escape to Ireland to found Kylemore Abbey to the multiple escapist who became the one legged nemesis of Michael Collins and the five tragic rugby loving pals from the same Dublin team massacred at Gallipoli the stories that Turtle Bunbury unearths about Irish men and women offer a new and timely perspective on Irish participation in the Great War An important book by turns poignant enlightening whimsical and darkly comic this is history as it should free wheeling and finely tuned to the rhythms of the human heart

Reviews In The Glorious Madness Turtle continues the wonderful listening and yarn spinning he has honed in the Vanishing Ireland series applying it to veterans of the First World War The stories he recreates are poignant whimsical and bleakly funny bringing back into the light the lives of people who found themselves on the wrong side of history after the struggle for Irish independence This is my kind of micro history John Grenham The Irish Times A wonderful book packed with great individual stories and pictures which bring the Irish participation in the Great War vividly alive Sean Farrell Irish Independent Based on first hand accounts of the conflict this

collection of character portraits and stirring anecdotes brings to life the hopes fears and ambitions that defined Ireland's lost generation Peter Costello The Irish Catholic Turtle Bunbury's book about the Great War is a great read a dramatic confection of remarkable stories about remarkable events and individuals slapped together with great dexterity and professionalism This is military history as entertainment on a scale we have not seen since well the First World War This is one book that can be judged by its cover P draig Yeates Dublin Review of Books The impressively versatile Turtle Bunbury is known for his sensitively written well observed Vanishing Ireland series of books and his appearance on RTE's Genealogy Roadshow He also toured this year as one of the lecturers in the Great War Roadshow headed by Myles Dungan Now also marking the centenary of the outbreak of the First World War Bunbury marches into what once would have been a no man's land for historians There is much to enjoy here Bunbury has an eye for irony and pathos and a fluid attractive writing style It's packed with personalities and stories of courage under fire amid truly unimaginable slaughter of mind boggling military incompetence and of individuals emotionally afflicted by reports of courage in another cause at home Emmanuel Kehoe Sunday Business Post

Readers' Guide to Periodical Literature Anna Lorraine Guthrie, 1904 An author subject index to selected general interest periodicals of reference value in libraries

Technical Manual United States. War Department, 1943

The Caleb Collection Ted Dekker, Bill Bright, 2014-07-29 Enjoy New York Times bestselling author Ted Dekker's Caleb stories as an e book collection Blessed Child The young orphaned boy was abandoned and raised in an Ethiopian monastery He has never seen outside its walls at least not the way most people see Now he must flee those walls or die A Man Called Blessed One man holds the key to locating the Ark of the Covenant but he's hidden deep in the desert and no one has seen him since he was a boy

Only the Ravens Care William A. Roberts, 2024-10-14 Only the Ravens Care is the third book of poetry from author William Roberts Once again we experience his deep understanding of the human condition and the world around us Whether speaking of the horrors of war dissecting quieter and more personal traumas or simply admiring the myriad joys of love and life Roberts manages to capture the full range of our emotions

The Guns of Europe Joseph Alexander Altsheler, 1915

The Guns of Europe Joseph A. Altsheler, 2019-12-04 In The Guns of Europe Joseph A Altsheler weaves a captivating narrative set against the backdrop of World War I merging historical dynamics with rich character development This novel is characterized by its vivid prose and dramatic flair often reflecting the tumultuous emotions of faith conflict and sacrifice that defined the era Altsheler's detailed approach to the intricacies of war serves not only as a gripping storyline but also as a powerful commentary on the impact of global conflict on personal lives placing readers in the midst of a world teetering on the brink of chaos Joseph A Altsheler an American author renowned for his historical novels drew on his extensive knowledge of history and war to craft this poignant tale His background as a journalist and his own experiences during the early 20th century significantly informed his portrayal of the devastating effects of war This unique perspective allows him to engage readers with a portrayal of both the heroism and futility inherent

in conflict making his work relevant for contemporary discussions about war and peace The Guns of Europe is a must read for those interested in the complexities of war literature historical fiction and the human condition during tumultuous times Altsheler s masterful storytelling not only entertains but also challenges readers to reflect upon the moral implications of conflict making it both a captivating and thought provoking addition to the canon of war literature **Ronin** Mike

Tucker,2007-12-13 First ever oral history of an entire Marine scout sniper platoon **The Saturday Evening Post** ,1919

Georgie! My Georgie! Eddie Brady,2005-09-07 This is an inspirational saga of the first Greek American to win the Medal of Honor George Dilboy fought in four wars on three continents by age twenty two He was an immigrant who became a U S citizen and a doughboy in World War One He might have been America s Winston Churchill There has never been a book written about his incredible life until now Five stories in one his love for his father family country and fiance propelled this hero into becoming a man for the ages This is not a happy story but is one you will never forget
