Obstacles to Environmental Progress Peter C. Schulze,2022-08-22 Why when so many people understand the severity of environmental problems is progress so slow and sustainability such a distant goal What gets in the way Perhaps you have immediately thought of several barriers In Obstacles to Environmental Progress Peter Schulze identifies 18 practical obstacles that routinely and predictably hinder U S progress on existing environmental problems The obstacles apply to problems small and large and in most cases regardless of whether an issue is controversial Though the book focuses on the U S most of the obstacles pertain elsewhere as well The obstacles fall into three categories scientific challenges to anticipating and detecting problems political and economic factors that interfere with responding and obstacles to effective responses While all the obstacles are predictable and common they have not been systematically studied as related phenomena perhaps because they span a wide range of academic disciplines In practice they often arise as surprises that are then addressed in an ad hoc manner Might they be better understood and thus more readily anticipated and overcome or avoided The book seeks to hasten environmental progress by forewarning and thus forearming those who are striving or will soon be striving for environmental progress and by drawing scholarly attention to the obstacles as a set of related phenomena to systematically understand and more quickly overcome Praise for Obstacles to Environmental Projects I have never come across another book that gives students such an accessible and helpful guide to the broad scope of the challenges facing an

environmentally sound and sustainable future Al Wurth Lehigh University Assembling Religion Kati Curts, 2025-05-27 How Henry Ford institutionalized a social gospel Henry Ford did not just mass produce cars As a member of the Episcopal Church reader of New Thought texts believer in the gospel of reincarnation mass marketer of antisemitic material and employer who institutionalized a social gospel Henry Ford's contributions to American models of business were informed by and produced for an America he understood to be broadly Christian Though Ford's efforts at the head of the Ford Motor Company have commonly been understood as secular Ford himself was explicit that his work in engineering and auto production was prophetic and meant to remake the world This religious history of Henry Ford and the Ford Motor Company repositions them within critical studies of religion examining how Ford transformed American religious practice in the twentieth century Drawing directly on documents from Ford's archive it examines Ford's mass production methods and bureaucratic reforms as examples of prosperity gospel traditions illuminating the ways manufacturing and technology intersect with American religious practice Bridging American religious and industrial history Assembling Religion offers a new and surprising way to understand Ford s impact on culture commerce and the technology of labor Charles D. Thompson Jr., 2011-04-20 Spirits of Just Men tells the story of moonshine in 1930s America as seen through the remarkable location of Franklin County Virginia a place that many still refer to as the moonshine capital of the world Charles D Thompson Jr chronicles the Great Moonshine Conspiracy Trial of 1935 which made national news and exposed the far reaching and pervasive tendrils of Appalachia's local moonshine economy Thompson whose ancestors were involved in the area's moonshine trade and trial as well as local law enforcement uses the event as a stepping off point to explore Blue Ridge Mountain culture economy and political engagement in the 1930s Drawing from extensive oral histories and local archival material he illustrates how the moonshine trade was a rational and savvy choice for struggling farmers and community members during the Great Depression Local characters come alive through this richly colorful narrative including the stories of Miss Ora Harrison a key witness for the defense and an Episcopalian missionary to the region and Elder Goode Hash an itinerant Primitive Baptist preacher and juror in a related murder trial Considering the complex interactions of religion economics local history Appalachian culture and immigration Thompson's sensitive analysis examines the people and processes involved in turning a basic agricultural commodity into such a sought after and essentially American spirit

<u>Flesh to Metal</u> Rolf Hellebust,2018-08-06 That science fiction future in which technology would make everything very good or very bad has not yet arrived From our vantage point at least no age appears to have had a deeper faith in the inevitability and imminence of such a total technological transformation than the early twentieth century Russia was no exception from the introduction In the Soviet Union it seems armoring oneself against the world did not suffice it was best to become metal itself In his engaging and accessible book Rolf Hellebust explores the aesthetic and ideological function of the metallization of the revolutionary body as revealed in Soviet literature art and politics His book shows how the significance of

this modern myth goes far beyond the immediate issue of the enthusiasm with which the Bolsheviks welcomed such a symbolic transfiguration and that of our own uneasy attraction to the images of metal flesh and machine men Hellebust s literary examples range from the famous Pasternak's Doctor Zhivago to the forgotten early Soviet proletarian poets To these he adds a mix of non Russian references from creation myths to comic book superheroes medieval alchemy to Moby Dick He includes readings of posters sculpture and political discourse as well as cross cultural comparisons to revolutionary France industrial age America and Nazi Germany The result is a fascinating portrait of the ultimate symbols of dehumanizing My Philosophy of Industry Henry Ford, Fay Leone modernity as refracted through the prism of utopian humanism Advertising & Selling ,1928 **Congressional Record** United States.
