

An abstract collage on a textured, light brown background. It features several overlapping, semi-transparent images of human faces and musical instruments. In the upper left, there are three small, square portraits of faces. Below them, a larger, more detailed face of a woman with dark hair is visible. To the right of this, a hand is shown playing a stringed instrument, possibly a guitar or a lute. In the center, a large, stylized face of a person with long hair is depicted. Below this, another face is shown, and at the bottom right, a person is playing a large, round, stringed instrument, possibly a lute or a similar historical instrument. The overall composition is layered and artistic, suggesting themes of music and human expression.
