**Icons - Imaging the Unseen** Dani%ol J. Louw, 2014-11-01 The experience of the divine has been referred to by many artists over the centuries whether their subject was the human figure landscape still life or indeed religious or biblical themes Art therefore requires a kind of openness a willingness to mediate rather than to control This sensitivity can best be described as humility an obeisance to something we are part of Therefore to see the unseen in visual arts brings about awe and requires iconic viewing The spiritual realm as portrayed by icons has a healing quality in a world where the news and the arts are so full of tragedy and where the church s message so often sounds escapist or na ve  
**Religion, Law and Dispute Resolution in Canada and the USA: Case Studies of Islam and Judaism** Natalie Ann Ghosn, 2024-05-30 The book is about the role of religious leadership in settling disputes of a legal nature within religious communities and the effects of this process on immigrant integration in Canada and the USA The community based practice of law in Jewish Orthodox Conservative and Reform Muslim Sunni communities in Canada and the USA are the communities studied here The role of religious leadership the gender implications of this type of dispute resolution and the implications for immigrant integration are all explored among a number of other topics  
**Men and Masculinities in Christianity and Judaism** Bjorn Krondorfer, 2013-02-12 Bjorn Krondorfer one of the leading scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men s privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by bibliographies that make this the ideal tool for study  
Being a Man in a Transnational World Ernesto Vasquez del Aguila, 2013-10-08 This book explores the masculinity and sexuality of migration analyzing the complex processes of becoming a man and the strategies used by men to reconcile paradoxes and contradictions that co exist between multiple masculinities and contradictory models

of being a man Vasquez del Aguila offers a number of conceptual contributions including the notion of masculine capital that provides men with the necessary masculine skills and cultural competence to achieve legitimacy and social recognition as men an analysis of male friendship where notions of solidarity and intimacy co exist with those of distrust competition and power relations and three social representations of being a man the winner the failed and the good enough man By analyzing heterosexual as well as gay masculinities and incorporating race and class relations this study shows the multiplicity and hierarchies of masculinities presented within a particular cultural context Through ethnographic research undertaken over more than four years in New York and Lima Peru this book also examines the role of the Internet and transnational romances and the ways in which migration can create new opportunities for male sexual intimacy while for others it creates loneliness and isolation

**Beyond Accommodation** Drucilla Cornell,1999 In this acclaimed book Drucilla Cornell challenges essentialist and naturalist accounts of feminine sexuality arguing that any attempt to affirm woman s value and difference based on the maternal role legitimises the masculine fantasy of women

*The Natural Superiority of Women* Ashley Montagu,1999 An iconoclast Montagu wields his encyclopedic knowledge of physical anthropology to show how women s biological genetic and physical characteristics make her not only man s equal but his superior Also a humanist Montagu points to the emotional and social qualities typically ascribed to women and devalued as being central to the attainment of equitable and just social relations
