Debunking the 1619 Project Mary Grabar, 2021-09-07 It s the New Big Lie According the New York Times s 1619 Project America was not founded in 1776 with a declaration of freedom and independence but in 1619 with the introduction of African slavery into the New World Ever since then the 1619 Project argues American history has been one long sordid tale

of systemic racism Celebrated historians have debunked this more than two hundred years of American literature disproves it parents know it to be false and yet it is being promoted across America as an integral part of grade school curricula and unquestionable orthodoxy on college campuses The 1619 Project is not just bad history it is a danger to our national life replacing the idea goal and reality of American unity with race based obsessions that we have seen play out in violence riots and the destruction of American monuments not to mention the wholesale rewriting of America s historical and cultural past In her new book *Debunking the 1619 Project* scholar Mary Grabar shows in dramatic fashion just how full of flat out lies distortions and noxious propaganda the 1619 Project really is It is essential reading for every concerned parent citizen school board member and policymaker

The Legal Understanding of Slavery Jean Allain, 2012-09-27 This book examines how slavery is understood in law It shows how the legal definition of slavery has evolved and continues to be contentious It traces the understanding of slavery from Roman law through the Middle Ages the 18th and 19th centuries up to the modern day manifestations including forced labour and trafficking in persons

Unbroken Chains Martin Plaut, 2025-08-28 Slavery has torn apart African societies since at least 2 500 BCE from Egypt to the Cape from Mauritania to Somalia Yet most writing covers just one fraction of this history the horrors of the trans Atlantic slave trade Historians and commentators long neglected the equally sizeable far more protracted phenomenon of Indian Ocean slavery and all but passed over Africa s internal practices from Ethiopian kingdoms enslaving conquered peoples to the Sokoto Caliphate capturing non Muslims on a scale matching that of the US plantations Yet overlooked stories of enslavement matter In 1794 Congress authorised construction of the US Navy s first six ships in response to civilian vessels being seized by North Africa s Barbary corsairs who raided as far as Britain and the Caribbean enslaving hundreds of thousands of Europeans And since abolition of the trans Atlantic trade international concern has moved from traditional to modern forms of slavery leaving Africans enslaved as chattel today with few champions abroad The UN and African Union are too embarrassed to confront the African leaders still permitting this practice *Unbroken Chains* offers readers a full accessible history of the myriad bondage systems that have devastated African communities over the millennia It is a

haunting sensitive powerful read New Frontiers of Slavery Dale W. Tomich, 2016-02-03 Essays challenging conventional understandings of the slave economy of the nineteenth century The essays presented in *New Frontiers of Slavery* represent new analytical and interpretive approaches to the crisis of Atlantic slavery during the nineteenth century By treating slavery within the framework of the modern world economy they call attention to new zones of slave production that were formed as part of processes of global economic and political restructuring Chapters by a group of international historians economists and sociologists examine both the global dynamics of the new slavery and various aspects of economy society and master slave relations in the new zones They emphasize the ways in which certain slave regimes particularly in Cuba and Brazil were formed as specific local responses to global processes industrialization urbanization market integration the formation of national states and the emergence of liberal ideologies and institutions These essays thus challenge conventional understandings of slavery which often regard it as incompatible with modernity *Slavery in Medieval and Early Modern Iberia* William D. Phillips, 2014 *Slavery in Medieval and Early Modern Iberia* provides a sweeping survey of the many forms of bound labor in Iberia from ancient times to the decline of slavery in the eighteenth century Arbeit und Recht seit 1800 Joachim Rückert, 2014 *Angaben zur beteiligten Person* Raphael Lutz Raphael ist Professor für Neuere und Neueste Geschichte an der Universität Trier *Race and Ethnicity* Kathleen Odell Korgen, Maxine P. Atkinson, 2024-12-11 *Race and Ethnicity* Sociology in Action is an innovative text that combines comprehensive coverage of race and ethnicity content with active learning exercises seamlessly integrated into the chapters The book is written by a team of experienced instructors who use active learning techniques in their own classrooms These contributors expertly weave together content material active learning exercises discussion questions real world examples of sociologists in action and information on careers that use sociology The Second Edition includes updated data figures and examples as well as new information on many topics including interracial relationships immigrant groups diversity among Asian Americans racial discrimination in housing and building coalitions for racial justice Plantation Slavery in the Sokoto Caliphate Mohammed Bashir Salau, 2018 A work of synthesis on plantation slavery in nineteenth century Sokoto caliphate engaging with major debates on internal African slavery on the meaning of the term plantation and on comparative slavery India in Africa, Africa in India John C. Hawley, 2008-06-25 *India in Africa Africa in India* traces the longstanding interaction between these two regions showing that the Indian Ocean world provides many examples of cultural flows that belie our understanding of globalization as a recent phenomenon This region has had and continues to have an internal integrity that touches the lives of its citizens in their commerce their cultural exchanges and their concepts of each other and of themselves in the world These connections have deep historical roots and their dynamics are not attributable solely to the effects of European colonialism modernity or contemporary globalization although these forces have left their mark The contributors to this interdisciplinary volume come from the fields of history literature dance sociology gender studies and religion making this collection unique in its recreation

of an entire world too seldom considered as such Teaching the Global Middle Ages Geraldine Heng, 2022-10-28 Offers pedagogical techniques for teaching literature and culture of the medieval world including legends about Alexander and Prester John and contact points such as the Silk Road and the Mongol Empire Gives syllabus suggestions for undergraduate and graduate courses in literature history religion and languages Includes a list of resources
