Extraterrestrial Life NASA Scientific and Technical Information Facility,1965 Wellbeing and Aspirational Culture Kevin Moore,2019-04-11 This book addresses the paradox that despite quantifiable advances people often struggle to experience positive wellbeing Kevin Moore argues that two key insights can help resolve this paradox first that we live in an aspirational culture that has its roots in the agrarian revolution and now demands constant economic growth individual ambition and self improvement while promoting change and uncertainty and second that we are persons and persons are created when cultures interact with our biology Accordingly our wellbeing depends on how personhood develops through that interaction Bringing together wellbeing and personhood research from multiple disciplines Moore explains how aspirational cultures are detrimental to wellbeing because they consistently undermine and disrupt the ordinary tasks of life that are essential to sustaining our personhood and wellbeing He concludes that if we are serious about improving wellbeing we have to create a culture not based on aspiration but which instead focuses on supporting persons and personhood

Masculinities and Violence Lee H. Bowker,1998 Understanding the masculinities violence nexus is crucially important to finding ways to mitigate the masculine tendency towards violence Taking a sobering look at men and violence Lee H Bowker has carefully chosen essays which shed light on the causes and settings of masculine violence The three essays in Part One lay out the ways in which men learn violence and repeat it Part Two focuses on the ways men victimize women and children Part Three turns to the ways men victimize other men and the final part examines men and organizational violence **The United States Catalog** Mary Burnham,Carol Hurd,1928 The Publishers Weekly ,1925 Library of Congress Catalog: Motion Pictures and Filmstrips Library of Congress,1968 **Current literature of the month** ,1924 Journal of Health, Physical Education, Recreation ,1941 **The Bookseller** ,1923 *Publishers Weekly* ,1905 **The Official Record of the United States Department of Agriculture** United States. Division of Research Grants,1966 **British Books** ,1920 **The Bookseller and the Stationery Trades' Journal** ,1922 *Reshaping Change* Patrick Dawson,2019-05-22 This book views change as an ongoing process that should not be solidified or treated as a series of linear events In drawing on data collected from over 40 years of research it highlights the theoretical and practical value of using a processual perspective Illustrative examples from a range of organizations including Micro X General Motors Pirelli Cables BHP Billiton Royal Dutch Shell British Rail British Aerospace Hewlett Packard Laubman and Pank and the CSIRO make the approach understandable and accessible to both researchers and practitioners In a theoretical exploration of temporal context sociomaterial relations and power political processes the dynamics of changing organizations is brought to the fore and the implication for reshaping change examined

On the practice of engaging in longitudinal research study design data collection and processual analysis as well as the write up and dissemination of findings are all considered This is an innovative and highly practical research monograph that captures the truly complex processes of changing organizations and illustrates how these are best understood from a processual perspective *Book Bulletin* Chicago Public Library,1918 *EE News* ,1989
