The Literary Legacy of the Macmillan Company of Canada Ruth Panofsky, 2012-01-01 Fifth Business and Alligator Pie Stephen Leacock Grey Owl and Morley Callaghan these treasured Canadian books and authors were all nurtured by the Macmillan Company of Canada one of the country's foremost twentieth century publishing houses The Literary Legacy of the Macmillan Company of Canada is a unique look at the contribution of publishers and editors to the formation of the Canadian literary canon Ruth Panofsky's study begins in 1905 with the establishment of Macmillan Canada as a branch plant to the company's London office While concentrating on the firm's original trade publishing which had considerable cultural influence Panofsky underscores the fundamental importance of educational titles to Macmillan's financial profile The Literary Legacy of the Macmillan Company of Canada also illuminates the key individuals including Hugh Eayrs John Gray and Hugh Kane whose personalities were as fascinating as those of the authors they published and whose achievements helped to advance modern literature in Canada Publisher's website *MacMillan's Magazine* Sir George Grove, David Masson, John Morley, Mowbray Morris, 1892 *Playing With Words* Shelley Davidow, Paul Williams, 2017-09-16 Drawing on years of experience of writing teaching and publishing this book offers essential tools for writers interested in honing their craft Whether you're a poet non-fiction writer novelist journalist student or simply a lover of words it will take you on an exciting and challenging journey to becoming a sophisticated writer As in the learning of any true craft or art first the focus is on specific skills then on consolidating those skills which by the end will be innate Through a variety of exercises and freewriting prompts *Playing with Words* will help you develop your writing trying out new styles and approaches along the way Use this book in a class in a group or alone in a writer's attic *The Macmillan Writer* Judith Nadell, Linda McMeniman, John Langan, 1994 **Macmillan's Magazine, 1859-1907** George J. Worth, 2017-03-02 Macmillan's Magazine has long been recognized as one of the most significant of the many British literary intellectual periodicals that flourished in the second half of the nineteenth century Yet the first volume of the *Wellesley Index to Victorian Periodicals* 1966 pointed out that There is no study of Macmillan's Magazine and that lack has been only partially remedied in all the decades since In this work George Worth addresses five principal questions Where did Macmillan's come from and why in 1859 Who or what was the guiding spirit behind the Magazine especially in its early formative years What cluster of ideas gave it such coherence as

it manifested during that period How did it and its parent firm deal with authors and juggle their periodical work and the books they produced for Macmillan and Co And what finally accounted for the palpable decline in the quality and fiscal health of Macmillan s during the last 25 years of its life and ultimately for its death Worth includes a treasure trove of original material about the Magazine much of it drawn from unpublished manuscripts and other previously untapped primary sources Macmillan s Magazine 1859 1907 contributes to the understanding not only of one significant Victorian periodical but also more generally of the literary and cultural milieu in which it originated flourished declined and expired
