"Mad Dan" Morgan, Bushranger John Anthony King,1976      *Australian Bushrangers 1788-1880* Ian Knight,2019-05-30

The first bushrangers or frontier outlaws were escaped or time expired convicts who took to the wilderness the bush in New South Wales and on the island of Tasmania Initially the only Crown forces available were redcoats from the small scattered garrisons but by 1825 the problem of outlawry led to the formation of the first Mounted Police from these soldiers The gold strikes of the 1860s attracted a new group of men who preferred to get rich by the gun rather than the shovel The roads and later railways that linked the mines with the cities offered many tempting targets and were preyed upon by the bushrangers This 1860s generation boasted many famous outlaws who passed into legend for their boldness The last outbreak came in Victoria in 1880 when the notorious Kelly Gang staged several hold ups and deliberately ambushed the pursuing police Their last stand at Glenrowan has become a legendary episode in Australian history Fully illustrated with some rare period photographs this is the fascinating story of Australia's most infamous outlaws and the men tasked with tracking them down

**Swagman** Matthew Richardson,2006-01-01 Banjo Paterson's Waltzing Matilda is the one song that has been bringing people together spontaneously since 1895 and the one song that belongs to all Australians Generations of experts have argued about the original story that Paterson immortalised about the origins of the tune and about what Paterson meant by his almost parodic over use of Australian colloquialisms Once a Jolly Swagman takes readers off the score sheet into the story of the song and tells of its evolution up until the twenty first century It tries to answer the riddles within the song and unpick its inherent contradictions where's the heroism in a suicidal thief What was jolly about the jumbuck Is Waltzing Matilda the key to Australian values What does it mean that a beloved song about Australia's pioneering past is written by a city lawyer In

this age of economic rationalism and a globalised world how does a voice from the billabong saying You ll come a waltzing matilda with me still matter and what does it tell us about ourselves
