General Catalogue Berea College, 1907 *Private Peat* Harold Reginald Peat, 2019-12-09 In *Private Peat* Harold Reginald Peat delivers an incisive and deeply personal account of his experiences as a soldier during World War I. Written in a vivid unembellished prose style, the memoir captures the harrowing realities of trench warfare, the camaraderie among soldiers, and the psychological toll of conflict. Peat's narrative is marked by sincerity and immediacy, providing readers with an intimate glimpse into the life of a common soldier navigating the chaos of battle and the somber moments of reflection amidst the carnage of war. As a product of the literary context surrounding war literature, Peat's work stands out for its authentic voice, often contrasting romanticized portrayals of heroism with the stark truths faced by those on the front lines. Harold Reginald Peat was born in 1892 and grew up in a working class environment which shaped his worldview and instilled in him a strong sense of realism that permeates his writing. Drafted into service, Peat experienced firsthand the brutalities of war, which ultimately inspired him to chronicle his journey in an effort to document the unsung stories of ordinary soldiers. His purpose was not merely to recount events but to illuminate the emotional and psychological strains of warfare that are often overlooked in historian narratives. *Private Peat* is a compelling read for anyone interested in military history, personal narratives, and literature that explores the darker sides of human experience. Peat's raw honesty and reflective insights invite readers to consider the human cost of war, making it a poignant addition to the canon of World War I literature that resonates with contemporary audiences.

The Monthly Army List Great Britain. Army, 1916 *The army list*, 1875 *An Air Fighter's Scrapbook* Ira Jones, 2020-01-10 A classic memoir of the early days of aviation by a longtime Royal Air Force pilot, including his harrowing exhilarating adventures in the Great War. Ira Taffy Jones was a well-known air fighter during the First World War, having scored about forty victories flying SE5 scouts in France with 74 Squadron. Familiar in flying circles, Jones recorded stories drawn from his own experiences during the war and wrote of the many personalities he had met or known by association both during the war and in the postwar flying years. *An Air Fighter's Scrapbook* recreates the atmosphere of the days of the biplane, of wartime flying, of early peacetime adventures in the air, the development of civil aviation, and breathtaking record beating flights, all evoking the sheer delight in flying that characterized those early years.
