The Mammoth Book of King Arthur Mike Ashley, 2011-09-01 The most complete guide ever to the real Arthurian world and the legends that surround it He defeated the Saxons so decisively at the Battle of Badon that he held the Saxon invasion of Britain at bay for at least a generation He has inspired more stories books and films than any other historical or legendary figure But who was the real King Arthur Here is the most comprehensive guide to the real Arthurian world and the legends that surround and often obscure it Sifting fact from fancy Mike Ashley reveals the originals not only of King Arthur but also of Merlin Guinevere Lancelot and the knights of the Round Table as well as all the major Arthurian sites He traces each of the legends as they developed and brilliantly shows how they were later used to inspire major works of art poetry fiction and film There is clear evidence that The Arthurian legends arose from the exploits of not just one man but at least three originating in Wales Scotland and Brittany The true historical Arthur really existed and is distantly related to the present royal family The real Arthur and the real Merlin never knew each other The real Lancelot was not British but was closer to a sixth century asylum seeker The Holy Grail legend probably grew out of a cosmic catastrophe that could have destroyed most of civilization

Welsh Legends and Folk-tales, *The Island of Avalon: Volume 1* Francis Lot, 2015-06-12 La matiere de Bretagne is a name given collectively to the body of medieval literature and legendary material associated with Great Britain especially King Arthur and his knights and their association to the Grail It is the link between the Grail stories and the legends of both King Arthur and Joseph of Arimathea and their connection to Glastonbury the Island of Avalon which is central to this investigation The legend of King Arthur at Glastonbury is primarily derived from Geoffrey of Monmouth's mention of King Arthur's arrival at the Island of Avalon after his fatal fight with Mordred It is the later bogus disinterment of King Arthur's manufactured grave at Glastonbury which establishes Glastonbury's synonymy with Avalon This volume sets out to show how the abbot of Glastonbury Henry Blois used Geoffrey of Monmouth as a nom de

plume and concocted the epic tale from Brutus to Arthur which is now known as the History of the Kings of Britain and was responsible for composing the Prophecies of Merlin *Spellbinders Collection* Molly Cochran, Warren Murphy, James Hetley, 2014-09-16 Fall under the spell of three otherworldly tales of ancient myth and mystery THE FOREVER KING by New York Times Bestselling Authors Warren Murphy and Molly Cochran When ten year old Arthur Blessing finds a strange antique cup he has no idea it's the most sought after object in history Nor does he realize the discovery of the Holy Grail will take him on a journey that defies the rules of space and time As the cup's fate appointed guardian Arthur must protect it from dark magic and a madman determined to harness the Grail's legendary power The mission threatens his very life with assassins aligned against him at every turn DRAGON'S EYE by James A Hetley The island township of Stonefort Maine is home to the Morgans one time pirates and now shadowy criminals who live by two cardinal rules protect the family and never foul your own nest Kate Rowley part time town constable and odd job specialist is a high school dropout who solves problems with her muscles and her fists And Alice Haskell EMT and emergency room nurse doubles as the latest Haskell Witch a Naskeag shaman with power over both whites and First People through her ties with the spirits of Stonefort's land and water Now an outside power threatens the ancient balance white and Indian alike law and lawbreaker alike THE SUMMER COUNTRY by James A Hetley Maureen Pierce works the night shift in a convenience store carries a 38 Smith Wesson in her pocket and talks to trees She knows enough clinical psychology to think that when the trees answer it proves she's crazy She can live with that until the truth reaches out to her on her way home one cold February night She isn't truly human Now her blood heritage drags her from Maine into ancient myth three steps away from the modern world Camelot is dead Arthur is dead Law is dead Maureen can become either a slave or a mighty witch but her own dark past may be her worst enemy *King Arthur and the Arthurian Romances: a Paper Read Before the Bath Literary ... culture and an examination of Arthur's hagiographical characterisation in Latin Breton Saints Lives. It closes with a survey of twentieth century English language retellings of Arthurian fiction that highlights female authors' many contributions to the genre.

King Arthur and the Gods of the Round Table David Dom, 2013-04-14 Did King Arthur really exist? The oldest manuscripts refer to him as a Lord of Battle who emerged soon after the Roman Empire crumbled. But what would be the origin of all these stories that turned a war leader into a king, an emperor, a legend, even a god? What if Arthur was really a deity similar to Zeus and Odin, with his roots in the rich Celtic mythology of the British Isles? A study of Arthurian myths reveals Britain's most legendary king as an ancient Sun God, known by many different names in the myths of Wales and Ireland. Even his Knights of the Round Table and his sister Morgan le Fay can all be identified as ancient Gods and Goddesses of earth, sea, and sky. Their survival in Arthurian legend stands as a shining testament of a story far more ancient but by no means lost to us.
