## **Mad World:**

*Producer of Controversy* Jennifer Frost, 2017-10-27 With films ranging from *High Noon* to *Guess Who's Coming to Dinner* Stanley Kramer 1913-2001 was one of the most successful and prolific director-producers of his day. But even as critics praised his courage in taking on such issues as nuclear war, racism, fascism, and the battle between science and religion, others condemned his work as empty, pretentious, and hollow, falsely sentimental, overproduced. Whether Kramer was one of the great filmmakers of all time, Kevin Spacey at the Golden Globe Awards, or one of Hollywood's worst directors, preeminent film critic Andrew Sarris in *The Village Voice*, he had a strong and undeniable influence on American culture during the Cold War. *Producer of Controversy* is the first book to take a close-up look at Kramer's career, films, and liberal politics in an effort to explain his contributions and historical significance. Kramer learned filmmaking within the old studio system, but over a career spanning forty years, he did much to shape the independent moviemaking that emerged after World War II. Jennifer Frost pays particular attention to four of his key message movies: *The Defiant Ones*, *On the Beach*, *Inherit the Wind*, and *Judgment at Nuremberg*, to show how Kramer's controversial films opened up public debate about the most important issues of his time among average filmgoers as well as professional critics, political commentators, and public figures. In this context, she for the first time fully documents the Hollywood Right's attacks on Kramer in the 1950s, details his resistance to the anticommunist Red Scare, and the Hollywood blacklist, exposes his role as a cultural diplomat with the Soviet Union, and reveals his important contribution to the liberal and radical politics of the 1960s. Her book is at once an absorbing work of cultural history and a thoroughgoing reassessment of Stanley Kramer's place in the pantheon of American filmmakers. **A**

**Critical Companion to Terry Gilliam** Ian Bekker, Sabine Planka, Philip van der Merwe, 2022-11-11 *A Critical Companion to Terry Gilliam* provides a fresh up-to-date exploration of the director's films and artistic practices ranging from his first film *Monty Python and the Holy Grail* (1975) to his recently released and latest film *The Man Who Killed Don Quixote* (2018). This volume presents Gilliam as a director whose films weave together an avant-garde cinematic style, imaginative exaggeration, and social critique. Consequently, while his films can seem artistically chaotic and thus have the effect of frustrating and upsetting the viewer, the essays in this volume show that this is part of a very disciplined creative plan to achieve the defamiliarization of various accepted notions of human and social life. Following Reason Mark Manolopoulos, 2019-03-01

Throughout history, humanity has regularly followed anti-rational figures and forces, demagogic rulers, perverted deities, exploitative economic systems, and so on. Such leadership and followership have wrought all kinds of oppression and conflict. What if this pattern could be altered? What if society were led by Reason instead? Prompted by Cicero's exhortation to follow reason as leader, as though it were a god, *Following Reason: A Theory and Strategy for Rational Leadership* explores this intriguing and potentially transformative possibility. Manolopoulos uniquely blends leadership psychology with a deep understanding of philosophical reasoning theory to show how leaders can bravely reimagine and reconstruct society. The

book retraces leadership mis steps in history and proposes a more logocentric theory of leadership built on compelling philosophical axioms and arguments Following Reason emphasizes the weight of philosophy and cognition in leadership and advocates for a diverse network that can create uphold and implement a blueprint for a better global society This wide ranging and timely book is ideal for leadership management and philosophy students at undergraduate and graduate levels
