Madcap The Life Of Preston Sturges:

Madcap Donald Spoto, 1990 Probes the colorful life of the iconoclastic Hollywood screenwriter and director known for his Broadway plays social satires and classic film comedies **ReFocus: The Films of Preston Sturges** Jaeckle Jeff Jaeckle, 2015-10-08 Director screenwriter and comic genius Preston Sturges has been an influence on filmmakers ranging from Orson Welles to the Coen brothers The first person to win an Oscar for Best Original Screenplay he wrote and directed some of the most bizarre controversial and downright hilarious comedies of the 1940s including Sullivan s Travels and Hail the Conquering Hero He may be the most talented Hollywood filmmaker yet to receive the critical recognition he deserves The Films of Preston Sturges is a pioneering collection of essays by world famous scholars that chart Sturges contributions to Hollywood cinema revealing his pivotal status as an early writer director exploring his inimitable style and making a bold case for his ongoing influence today Reawakening interest in this filmmaker s life and works this book will remind readers why Sturges movies remain not only immensely enjoyable but of great cultural significance as well **The Cinema of Preston Sturges** Alessandro Pirolini, 2014-01-10 Most published works on writer director Preston Sturges 1898 1959 have focused on the elements that made him a symbol of classic Hollywood comedy or his contributions to the genre via such 1940s classics as The Lady Eve Sullivan s Travels and Miracle of Morgan s Creek In contrast this critical study asserts that there are enough unexplained incongruities fragmentations and contradictions in Sturges output to demand a re evaluation of his place in film history as a predecessor and perhaps progenitor of later postmodern filmmakers Four appendices offer a generous selection of previously unavailable material including an exclusive interview with the director s fourth wife Sandy Sturges Three More Screenplays by Preston Sturges Preston Sturges, 1998-08-29 Preston Sturges 1898 1959 was a member of Hollywood s gifted royalty producing a remarkable number of films In this third volume of scripts by one of Hollywood s wisest and wittiest filmmakers the focus is on screenplays written but not directed by Sturges This volume will be the perfect accompaniment to the re release of Sturges films on home video 8 illustrations Preston Sturges by Preston Sturges: His Life in His Words Preston Sturges, 1991-09-15 In this highly readable memoir Sandy Sturges wife of the legendary Hollywood director of screwball comedies of the 30s and the 40s draws from his journals to create a portrait that will delight movie fans Hollywood historians and film students A story every bit as fast and wild as a Sturges movie The Village Voice **Crooked, but Never Common** Stuart Klawans, 2023-01-10 In a burst of creativity unmatched in Hollywood history Preston Sturges directed a string of all time classic comedies from 1939 through 1948 The Great McGinty The Lady Eve Sullivan s Travels The Palm Beach Story and The Miracle of Morgan s Creek among them all from screenplays he alone had written Cynical and sophisticated romantic and sexually frank crazily breakneck and endlessly witty his movies continue to influence filmmakers and remain popular to this day Yet despite this acclaim Sturges s achievements remain underappreciated he is too often categorized as a dialogue writer and plot engineer more than a director or belittled as an

irresponsible spinner of laughs In Crooked but Never Common Stuart Klawans combines a critic's insight and a fan's enthusiasm to offer deeper ways to think about and enjoy Sturges's work He provides an in-depth appreciation of all ten of the writer-director's major movies presenting Sturges as a filmmaker whose work balanced slapstick and social critique American and European traditions and cynicism and affection for his characters Tugging at loose threads discontinuities puzzles and allusions that have dangled in plain sight and putting the films into a broader cultural context Klawans reveals structures motives and meanings underlying the uproarious pleasures of Sturges's movies In this new light Sturges emerges at last as one of the truly great filmmakers and funnier than ever

Christmas in July Diane Jacobs, 2023-11-15 In this first critical biography of Preston Sturges Diane Jacobs brings to life the great comic filmmaker whose career Andrew Sarris described as one of the most brilliant and bizarre bursts of creation in the history of the American cinema Jacobs uses letters and manuscripts never before revealed as well as interviews with people who knew Sturges including three of his wives to portray this fascinating contradictory man In addition to discussing his major films she also examines heretofore unknown work and shows that Sturges was highly creative even near the end of his life a time when many believed he had lost his touch Sturges secured his place in film history as the creator of such classic films as *The Lady Eve* *Sullivan's Travels* and *The Palm Beach Story* In 1939 he became the first screenwriter to win the right to direct his own script the result was the Oscar-winning *The Great McGinty* Creator of *Unfaithfully Yours* *The Miracle of Morgan's Creek* and *Hail the Conquering Hero* he was the third highest paid man in the United States by the late 1940s He owned a swank Hollywood restaurant and was known as an ebullient raconteur as well as a world famous filmmaker A little over a decade later Sturges died in New York impoverished and rejected by Hollywood The euphoria of success the fitfulness of luck the promise and poignancy of the American Dream the themes of Sturges's work also marked the man Diane Jacobs achieves a singular success in illuminating his extraordinary life This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer-reviewed scholarship accessible once again using print-on-demand technology This title was originally published in 1992
