between Lynch's life experience and artistic expressions from the small town child to the teenage painter to the 60 year old Internet and digital media experimenter To fully delineate the director's life and art Olson received unprecedented participation from Lynch his parents siblings old school friends romantic partners children and decades of professional colleagues as well as on set access to the director during the production of Twin Peaks Fire Walk with Me Throughout this study Olson provides thorough analyses of the filmmaker's works as Lynch conceived crafted and completed them

Consequently David Lynch Beautiful Dark is the definitive study of one of the most influential and idiosyncratic directors of the last four decades

*Singing Out* David Burke, 2015-03-01 The Life And Work Of 3 Female Folk Icons David Burke takes the lives of three of British folk music's best known and best loved women and intertwines their stories Why these three As David explains Maddy Prior June Tabor and Linda Thompson have both endured and evolved The people's relationship with its heritage may be capricious but Maddy June and Linda have remained resolutely committed to it while concurrently contemporising it They all began in the folk clubs of the second folk revival in the 1960s but whilst staying true to their roots have never been afraid to try new things sometimes to the horror of traditional folkies Maddy Prior MBE is best known as being the singer with Steeleye Span though she has done many different things including the Silly Sisters with June Tabor June tried to juggle being a librarian and a singer until singing thankfully won out Elvis Costello said If you don't like listening to June Tabor you should stop listening to music To a large extent Linda Thompson's later career has been blighted by hysterical dysphonia a condition that has stopped her singing for long periods For this book all three women kindly provided interviews but Linda could only communicate via e mail her condition which comes and goes was so bad at the time However her albums with ex husband Richard Thompson are classics as are her own solo albums it is just sad that illness has deprived her and us of more of them In addition to the three subjects David has interviewed amongst others Ian Anderson Martin Carthy Christy Moore Martin Simpson Rufus Wainwright and even the creator of the Wombles pop group Mike Batt who produced Steeleye Span
