Hillary Clinton Melissa Carosella,2017-02-01 From student activist to Secretary of State this inspirational biography details the fascinating life of Hillary Rodham Clinton **Living History** Hillary Rodham Clinton,2004-04-19 Hillary Rodham Clinton tells her life story describing her dedication to social causes her relationship with her husband and her accomplishments and difficult periods as First Lady Warmonger Jeremy Kuzmarov,2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband's support for mass incarceration banking deregulation and free trade agreements that led many U S jobs to be shipped overseas Warmonger How Clinton's Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton's foreign policy was just as bad as his domestic policy Cultivating an image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan's two terms Clinton further expanded America's covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment

for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton s malign foreign policies and U S complicity in terrorist acts In so many ways Clinton s presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton s administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent **Timetables of History for Students of Methodism** Rex Dale Matthews,2007 The definitive guide to the major events of Methodist history displayed in sequence and placed in political social and cultural context *US Department of State Dispatch* ,1999

Rosie O'Donnell Virginia Meachum,2000 A biography of a popular talk show host describing her childhood education and career in comedy the movies on Broadway and on television [Social Problems](#) Anna Leon-Guerrero,2018-07-10 Empower your students to become part of the solution The new Sixth Edition of Anna Leon Guerrero s Social Problems Community Policy and Social Action goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With a clear and upbeat tone this thought provoking text challenges readers to see the social and structural forces that determine our social problems to consider various policies and programs that attempt to address these problems and to recognize and learn how they can be part of the solution to social problems in their own community New to This Edition Many of the social policy discussions including immigration LGBTQ rights the Affordable Care Act and Internet neutrality have been updated to reflect the most recent government actions and debates More recent data and new data sources have been incorporated throughout both in the main narrative and in the Exploring Social Problems features New Voices in the Community subjects on gender work and the economy and war and terrorism appear in several chapters New In Focus topics include Black Lives Matters assault weapons and college drug problems The chapter on gender has been substantially updated with new or expanded coverage of binary cisgender transgender identification gender nonconformity discrimination sexual misconduct on college campuses and the rights of trans and intersex individuals Other new or expanded coverage elsewhere includes

economic anxiety robotization in the workplace white nationalists feminist theories about race fake news net neutrality community policing gentrification and segregation in U S cities and the immigration and environmental policies of the Trump administration **The Changing Nature of Religious Rights under International Law** Malcolm Evans, Peter

Petkoff, Julian Rivers, 2015-03-19 The Declaration on the Elimination of All Forms of Intolerance and of Discrimination Based on Religion or Belief as proclaimed by the United Nations General Assembly in 1981 is the only universal human rights instrument specifically focusing on religious intolerance and discrimination However recent years have seen increasing controversy surrounding this right in both political and legal contexts The European Court of Human Rights has experienced a vast expansion in the number of cases it has had brought before it concerning religious freedom and politically the boundaries of the right have been much disputed This book provides a systematic analysis of the different approaches to religious rights which exist in public international law The book explores how particular institutional perspectives emerge in the context of these differing approaches It examines and challenges these institutional perspectives It identifies new directions for approaching religious rights through international law by examining existing legal tools and assesses their achievements and shortcomings It studies religious organisations support for international human rights protection as well as religious critique of international human rights and the development of an alternative religious Bills of Rights It investigates whether expressions of members belonging to religious minorities can be considered under the minority right to culture rather than the right to religion and discusses the benefits and shortcomings of such a route It analyses the reach and limits of the provisions in the 1981 Declaration identifies ways in which the right is being eroded as a concept and suggests new ways in which the right can be reinforced and protected **Women in Politics** Mary Chung Hayashi, 2023-10-25 Mary

Chung Hayashi offers an exploration of the strides made by women in government This analysis bridges the gap between past and present blending Mary s personal journey as an Asian American immigrant and former California State Assembly member with the stories of trailblazing women in political leadership Featuring interviews and discussions Mary brings to life the trials and triumphs of these women showcasing their invaluable contributions to political landscapes and the transformative power of their perseverance **Trump and Mussolini** Anna Camaiti Hostert, Enzo Antonio

Cicchino, 2022-10-17 Trump and Mussolini Images Fake News and Mass Media as Weapons in the Hands of Two Populists compares two historic men of power and influence Donald Trump and Benito Mussolini to analyze the commonality of practices and mannerisms between the two From rhetoric to body language to their control over oral and written communication and analogous power strategies they both possess an unusual talent for new technologies which they utilize to their advantage in unique moments in history Mussolini lived at the beginning of mass society Trump at the height of social media both controversial leaders finding means to utilize these periods of time and the tools surrounding them to further their own agendas and influence society culture and authority The authors examine a plethora of topics and themes

such as outward personalities and consuming charisma means and tools of communication and propaganda and treatment of women just to name a few in order to define the relationship and similarities between these two controversial figures This book was written before the Capitol Hill assault on January 6th 2021 Mussolini in November 1922 in front of the Parliament said I could have made a bivouac of this gloomy gray hall I could have shut down the Parliament and formed a Government exclusively of Fascists I could have done so but I did not wish to do so at least not at this moment Trump however never said anything like this but indeed tried to do it Challenges and Opportunities for Women in Higher Education Leadership Schnackenberg, Heidi L., Simard, Denise A., 2018-12-07 This title is an IGI Global Core Reference for 2019 as it is one of the best selling reference books within the Education subject area in January 2019 providing trending and emerging research around how gender intersects with specific challenges issues and strategies within higher education Edited by prominent IGI Global editors from the State University of New York at Plattsburgh U S this publication is ideally designed for educators researchers academicians scholars policymakers educational administrators graduate level students and pre service teachers Challenges and Opportunities for Women in Higher Education Leadership is a pivotal reference source that provides vital research on the specific challenges issues strategies and solutions that are associated with diverse leadership in higher education While highlighting topics such as educational administration leader mentorship and professional promotion this publication explores evidence based professional practice for women in higher education who are currently in or are seeking positions of leadership as well as the methods of nurturing women in administrative positions This book is ideally designed for educators researchers academicians scholars policymakers educational administrators graduate level students and pre service teachers seeking current research on the state of educational leadership in regard to gender
