Madonna Mary Gabriel, 2023-10-10 New York Times Editors Choice One of NPR's Best Books of the Year In this infinitely readable biography award winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era Madonna People Magazine With her arrival on the music scene in the early 1980s Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles taking the nation by storm with her liberated politics and breathtaking talent Within two years of her 1983 debut album a flagship Macy's store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge and opened a department called Madonna land But Madonna was more than just a pop star Everywhere fans gravitated to her as an emblem of a new age one in which feminism could shed the buttoned down demeanor of the 1970s and feel relevant to a new generation Amid the scourge of AIDS she brought queer identities into the mainstream fiercely defending a person's right to love whomever and be whoever they wanted Despite fierce criticism she never separated her music from her political activism And as an artist she never stopped experimenting Madonna existed to push past boundaries by creating provocative visionary music videos films and live performances that changed culture globally Deftly tracing Madonna's story from her Michigan roots to her rise to super stardom master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time *The Madonna Connection* Ramona Liera Schwichtenberg, Deidre Pribram, Dave Tetzlaff, Ron Scott, 2019-07-09 Various cultural theories foremost among them postmodernism have figured in the debate over the politics of representation These theories have tended to look at representation in the context of either audience enablement or commercial constraint that is do the images empower the public or inhibit it One key area consistently overlooked has been the study of subcultural or subordinate groups who appropriate what is traditionally considered mainstream The Madonna Connection is the first book to address the complexities of race gender and sexuality in popular culture by using the influence of a cultural heroine to advance cultural theory Madonna's use of various media music concert tour film and video serves as a paradigm by which the authors study how images and symbols associated with subcultural groups multiracial gay and lesbian feminist are smuggled into the mainstream Using a range of critical and interpretive approaches to this evolving and lively cultural phenomenon the authors demonstrate the importance of personalities like Madonna to issues of enablement and constraint Are others given voice by political interventions in mass popular culture Or is their voice co-opted to provide mere titillation and maximum profit What might the interplay of these views suggest These are some of the questions the authors attempt to answer Some celebrate Madonna's affirmation of cultural diversity Others criticize her flagrant self-marketing strategies And still others regard her as only a provisional challenge to the mainstream *Desperately Seeking Madonna* Adam

Sexton,2008-12-10 An original collection of writings almost as diverse as the Material Girl herself attempting to uncover as many interpretations of Madonna s appeal as is possible With voices as diverse as Russell Baker Sandra Bernhard Art Buchwald Al Hirschfeld Camille Paglia and Andrew Greeley *Desperately Seeking Madonna* sheds new light on one of the world s most famous and infamous women Essays cartoons horoscope tabloid journalism academic essays comic book art a David Letterman top ten list and every year s Rolling Stone polls collected here tell the complete story behind the story of Madonna s illustrious career A fascinating compendium of Madonnathink Vogue *MADONNA: Unstoppable! Who's That Boy?** Lynne Layton,2013-04-15 Hailed on publication as an impressive integration of postmodernism and relational psychoanalysis James Hansel and an intelligent and stimulating account of where the issues of identity gender and difference are joined Jessica Benjamin Lynne Layton s *Who s That Girl Who s That Boy* is a major contribution to the postmodern understanding of gender issues This new edition under the aegis of the Bending Psychoanalysis Book Series includes a Foreword by Series Editor Jack Drescher and an Afterword in which Lynne Layton addresses the evolution of her thinking since the book s publication in 1998 *Madonna* J. Randy Taraborrelli,2001-09-27 Madonna Megastar Lover Mother Opportunist Chameleon Role model She s all of these things and more Yet who is she really In *Madonna An Intimate Biography* author J Randy Taraborrelli s scrupulously researched and completely balanced unauthorized biography of one of the world s most celebrated entertainers the reader is allowed to draw his or her own conclusions Indeed the portrait bestselling author Taraborrelli paints here is of a truly complex woman one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart It is significant that *Madonna An Intimate Biography* is the first such book written about the star in over a decade because in the past ten years the ever changing Madonna has gone through her biggest transformation yet from tempestuous sex goddess to happily married mother Amazingly as she launches her first worldwide tour in eight years she is now at forty something enjoying one of the most successful periods of her groundbreaking career Whereas other books about Madonna have been based on previously published material *Madonna An Intimate Biography* is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time including close friends business associates and even family members Since Taraborrelli interviewed the star herself early in her career he is now able to draw from such firsthand experiences to place her success story in perspective and provide new stunning insights The true Madonna as presented here is not merely a sensation seeking tabloid vixen but a flesh and blood woman with human foibles and weaknesses as well as great strengths and ambitions For the first time the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement how Warren Beatty broke her heart and why the two never wed how she and John Kennedy Jr became romantically involved his mother s reaction to the prospect of Madonna as a daughter in law and why it could never have worked out the truth of her

relationships with the fathers of her two children and how as a loving and attentive mother she has evolved into a surprisingly different woman and what the future holds for her Madonna An Intimate Biography is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular trendsetting figures of our time Full of amazing disclosures about her private life and public career New York Times bestselling author J Randy Taraborrelli s latest work reveals Madonna in a new and surprisingly inspiring way Not only a feast for fans this book is great entertainment for anyone who enjoys a remarkable story stirring told Madonna David James,1991 **New York Magazine** ,1991-10-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Music in the 20th Century (3 Vol Set) Dave DiMartino,2016-04-15 This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons the immediate post Hiroshima Nagasaki period and the Korean War It also provides an account of US actions and attitudes during this period and China s response The New Penguin Dictionary of Modern Quotations Robert Andrews,2003-10-30 The New Penguin Dictionary of Modern Quotations contains over 8 000 quotations from 1914 to the present As much a companion to the modern age as it is an entertaining and useful reference tool it takes the reader on a tour of the wit and wisdom of the great and the good from Margot Asquith to Monica Lewinsky from George V to Boutros Boutros Galli and Jonathan Aitken to Frank Zappa *Star* Peter Biskind,2010-04-03 In this compulsively readable and constantly surprising book Peter Biskind the author of the film classics Easy Riders Raging Bulls and Down and Dirty Pictures writes the most intimate revealing and balanced biography ever of Hollywood legend Warren Beatty Famously a playboy he has been linked to costars Natalie Wood Julie Christie Diane Keaton and Madonna among others Beatty has also been one of the most ambitious and successful stars in Hollywood Several Beatty films have passed the test of time from Bonnie and Clyde to Shampoo Heaven Can Wait Reds for which he won the best director Oscar Bugsy and Bulworth Few filmgoers realize that along with Orson Welles Beatty is the only person ever nominated for four Academy Awards for a single film and unlike Welles Beatty did it twice with Heaven Can Wait and Reds Biskind shows how Beatty used star power commercial success savvy and charm to bend Hollywood moguls to his will establishing an unprecedented level of independence while still working within the studio system Arguably one of the most successful and creative figures in Hollywood over the last few decades Beatty exercised unique control over his films often hiring screenwriters out of his own pocket and frequently collaborating with them producing directing and acting becoming an auteur before anyone in Hollywood knew what the word meant In this fascinating biography the ultimate Hollywood Star comes to life complete with excesses and achievements as never before *Famous Lines* Robert Andrews,1997 This

scientific detective story is the first book which explains clearly the science used by paleontologists and the new cutting edge techniques that led to the discovery of Seismosaurus the longest dinosaur yet known and possibly the largest land animal to have ever lived Gillette s first person account of the project answers the most frequently asked questions about Seismosaurus How was it discovered How do we know it is a new species How did it die Part catalogue of the workings of paleontological science in the 1990s the book also illustrates the exciting collaboration between Gillette the chemists and physicists who helped to reconstruct Seismosaurus

Reading Rock and Roll Kevin J. H. Dettmar, William Richey, 1999 Considering the work of such artists as Madonna George Clinton U2 Elvis Costello and Nirvana the contributors deftly combine the rigors of scholarship with the energy of rock journalism to provide an analysis at once critical contextualized and enthusiastic While a number of scholars have recently turned their attention to rock and pop music most of their work has focused on providing sweeping cultural contexts for its popularity rather than exploring the music itself Now in Reading Rock and Roll Kevin Dettmar and William Richey have gathered a wealth of erudite original and clever writings that perform close readings of rock music often with surprising results The authors in this volume view rock and roll as having had affinities with postmodernism from its inception With its mongrel pedigree drawing on blues folk R and B and bluegrass and its relation to mass media and high tech modes of production rock music has been self conscious and full of irony from the beginning These essays regularly call attention to the allusiveness and intertextuality of rock and roll whether it is Kurt Cobain undermining the Beatles M C Hammer stealing from Rick James s Super Freak or U2 s use of Johnny Cash s legendary voice From a careful examination of the roles of addictions and female sexuality in the remakings of Courtney Love and Madonna to the politics of George Clinton s uses and abuses of language to the referencing of Elvis Costello in two recent novels and the use of 1970s rock in several recent film soundtracks these essays are as varied as the artists they consider Informal and theoretically informed Reading Rock and Roll is an important investigation of the music that more than any other has defined our century

Madonna's Erotica Michael Dango, 2023-09-07 Everyone wanted Madonna s 1992 album Erotica to be a scandal In the midst of a culture war conservatives wanted it to be proof of the decline of family values The target of conservative loathing gay men reeling from the AIDS epidemic wanted it to be a celebration of a sexual culture that had rapidly slipped away And Madonna herself wanted to sell scandal which is why she released Erotica in the same season as her erotic thriller Body of Evidence and her pornographic coffee table book simply titled Sex But Erotica is more sentimental than pornographic This ambivalence over sex is what makes the album crucial both for understanding its time and for navigating culture a generation later As queer politics were transitioning from sexual liberation to civil rights like same sex marriage Madonna tried to do both Her songs proved formative for works of queer theory which emerged in the academy at the same time as the album And Erotica was and is central to a developing consciousness about cultural appropriation In this book Michael Dango considers Erotica and its legacy by drawing both on the intellectual traditions at the center of today s

hysteria over critical race theory and don't say gay and on his own experiences as a gay man too young to know the original carnage of AIDS and too old to grow up assuming he could get married Madonna offered up Erotica as a key entry in the 1990s culture wars Her album speaks all the more urgently to the culture wars of today **The Literary Filmography** Leonard Mustazza, 2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens's A Christmas Carol and Hawthorne's The Scarlet Letter were adapted to film in the silent era as were such books as Thomas Dixon's Jr's The Klansman basis for the film Birth of a Nation In recent years Nick Hornsby's About a Boy and each of Helen Fielding's Bridget Jones's Diary novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work's title author year of first publication literary prizes and a brief plot summary Information on film adaptation's of the work including adaptation titles director screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats DVD VHS is also offered **New York Magazine** , 1992-01-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Complete Index to Literary Sources in Film** Alan Goble, 2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film [The Madonna Companion](#) Carol Benson, Allan Metz, 1999 A collection that tells the entire story of the Material Girl from her work as a musician and performer to her celebrity life as icon and agent provocateur 20 photos 312
