Madonna, Bawdy & Soul Karlene Faith,1997 Karlene Faith says that Madonna signifies the times we live in We are in a sense all responsible for who Madonna is As fans moral critics media journalists or university scholars we mediate what she means to our society And Madonna as a shrewd career woman has known how to exploit our attentions with her multiple talents. Her representation of sexual practices and values has not taken place in a political or social vacuum. She has counted on our readiness to witness the smashing of cultural taboos. Feminist reactions to Madonna have been divided. In her early career Madonna was a teenage role model applauded as a liberated sex crusader Later she raised eyebrows by portraying cynical sex with multiple partners across identity boundaries and by capitalizing on sadomasochistic imagery. Bawdy Madonna Kathleen MacArthur,2010-04-01. Angie Lanier the heroine of Kathleen MacArthur's new novel travels a world away from her Midwest background where she absorbs a mysterious spell cast upon her by a Balinese priest. Her efforts to learn more about her father prompts flashbacks of her confusion between the values of her modest mother and her outrageous grandmother Angie's relationship with a free spirited young congressman the idol who dominated her childhood fantasies is immediately jeopardized when she meets a highly principled and compassionate Oxford don She experiences a life very different from her promising career as a society tattler for a Washington D C magazine With wry insight and moments of randy sex MacArthur invites her readers to share Angie's efforts to resolve the challenges imposed by the 60 s sexual revolution plus her discovery of a horrific family secret. The novel also includes some not so subtle hints of reincarnation.
