Madrigales Intimos:

Madrigales Intimos Jose Garcia Roel, 2004 The Destiny of Men is a true and moving account of the lives of two ordinary Americans at a time in America's history when ordinary men were called upon to do extraordinary deeds Louis Worcester a Northern born Southerner and William Troup a youth from Pennsylvania were just two of the many who were called to arms by the cataclysmic events of the 1860's The lives of these two patriots to their causes forever changed that summer of 1861 when they began different yet parallel paths that would ultimately culminate on the fields of a southeastern Pennsylvania crossroads in the summer of 1863 Troubled by the horrors of war these two men on different sides of a national crisis were determined to do their duty in spite of the potential cost to themselves and to their families Their destiny as is the destiny of all men lay in the hands of God This they believed and in this belief they trusted Troup and Worcester perceived the war from two different military perspectives One an artilleryman and the other an infantryman participated in every major battle between the Army of Northern Virginia and the Army of the Potomac prior to the fall of 1863 Each witnessed the ultimate sacrifice made by so many for the causes they so fervently believed Each was equally willing to make the same sacrifice if so called upon by their nation or their Almighty The Destiny of Men follows Troup and Worcester from their enlistments in pre war excitement of 1861 through the arduous first two years of the war climaxing on the slopes of a hill outside Gettysburg

Poemas íntimos Augusto Arias, 1921 *Mocedades..... De Un Madrigal* armando castellanos, 2013-01-08 Mocedades Alas a la juventud de la vida en un vuelo que se levanta como un llamado al amor por unos ojos bellos por una sonrisa por una gracia divina que desliza todo encanto toda magia y despierta al soador de las almas para mirar en las grutas del sentimiento que la luna canta en notas de piano con murmullos suaves y quedos disipando en brumas La belleza de una rosa la divinidad de una mariposa que se viste de una joven encantadora en pos de su primer besode su primer amorah vaella como una sombra blanca en las mocedades de un amor que nace ahora maana y siempre y todo sobre las ternuras de una mujer Madrigal Poema echo de amorpor un latido por un suspiro por un deseo Poema que canta su melancola por la ausencia por distancia por la aoranza y entonces nacen cual un madrigal dos corazones que se aman dos corazones que se comprenden son un alma una sola que sabe como abrazar en su vuelo la ternura en su paz la dulzura Y en su deseo de amar del amor su cordura y su locura ser por eso la razn que el amor tiene un llamado y el corazn desdobra sus sentimientos por encontrar lo hermoso de la nada por ello cuando te enamoras todo torna a un encanto al embrujo de un beso a la divinidad de una caricia en tanto en las alturas la luna calla haciendo luz de hada para las parejas que cuando en la oscuridad se besan de lejos se vea una sola sombra Armando Castellanos Diciembre 21 del 2012 **El madrigal** Gino Tramontana, Alfonso Tramontana, 2022-01-31 Est bamos all Kristian y yo bajo ese cielo plomizo que conoc amos tan bien Observando en silencio la nada circundante que hab amos contribuido a hacer a n m s intensa Kristian hab a dejado de cantar esa canci n que hab a sido la banda sonora de nuestra furia y ahora inm vil miraba al mar Yo estaba sentado Con las piernas cruzadas bajo esa

escultura que tan repentinamente hab a revolucionado nuestras vidas y todo se convirti en una especie de ceremonia zen Un macabro hechizo desencadena una intensa aventura Como en una especie de road movie entre Italia Espa a y varios escenarios dist pcos dos personajes se mueven buscando una v a de escape y un m s all que se convierta por fin en un hogar Una novela audaz picaresca e irreverente *El Hombre Que Mato a su Alma* Jose Garcia Roel,2001 This book is a detailed critical inspection of a collection of objects that have their feet in two worlds namely Mozart Historical Research and Art Historical Study Leopold Mozart the father of one of the world s most supreme composers died in 1787 At the time of his death his apartment held precious treasures given to his brilliant son and daughter during their lengthy European tour of 1763 1766 Furthermore it is likely that memorabilia and portraits collected in the 21 years following that tour were also in Leopold s apartment There is little historical record about what his collection might have contained at the time of his death or what happened to it In 2003 an American antiques collector traveling in Italy bought what he thought were some interesting pieces from a woman merchant Though he was unaware of what he had stumbled into at that time these pieces now appear to have been a portion of Leopold Mozart s estate The collection s owner engaged the author of this book to examine and comment on the approximately 40 pieces in the acquisition The telling of the story of each of the collection s pieces and how they survived for more than two centuries is rich with Mozart history **The Italian Madrigal** Alfred Einstein,2019-08-06 Volume 2 of 3 This monumental three volume work on the Italian madrigal from its beginnings about 1500 to its decline in the 17th century is based on the research of 40 years and is a cultural history of the development of Italian music Mr Einstein renowned musicologist supplies a background and a sense of proportion to the field he gives the right order to the single composers in the evolution fo the madrigal attaches new values to old names and places in the foreground the outstanding but until now rather neglected personality of Cipriano de Rore His work is not however purely musicological his object is to inquire into the functions of secular music in Italian life during the Cinquecento and to contribute to our knowledge and understanding of that great century in general Translated from the German by Oliver Strunk Roger Sessions and Alexander H Krappe Originally published in 1948 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Guarini's 'Il pastor fido' and the Madrigal Seth Coluzzi,2023-01-19 Battista Guarini s pastoral tragicomedy *Il pastor fido* 1589 began its life as a play but soon was transformed through numerous musical settings by prominent composers of the late sixteenth and early seventeenth centuries Through the many lives of this work this book explores what happens when a lover s lament is transplanted from the theatrical stage to the courtly chamber from speech to song and from a single

speaking character to an ensemble of singers shedding new light on early modern literary and musical culture From the play s beginnings in manuscripts private readings and aborted stage productions in the 1580s and 1590s through the gradual decline of Pastor fido madrigals in the 1640s this book examines how this widely read yet controversial text became the center of a lasting and prolific music tradition Using a new integrative system of musical textual analysis based on sixteenth century theory Seth Coluzzi demonstrates how composers responded not only to the sentiments imagery and form of the play s speeches but also to subtler details of Guarini s verse Viewing the musical history of Guarini s work as an integral part of the play s roles in the domains of theater literature and criticism this book brings a new perspective to the late Italian madrigal the play and early modern patronage and readership across a diverse geographical and temporal frame
