Literary Series in the Federal Republic of Germany from 1960 to 1980 Mark W. Rectanus, 1984 **Gay & Lesbian Literature: Introduction to gay male literature**, 1994 **Who's Who in Lesbian and Gay Writing** Gabriele Griffin, 2003-09-02 Who's Who in Lesbian and Gay Writing is a lively and accessible biographical guide to lesbian and gay literary culture from Sappho to modern pulp fiction Featuring authors of works with lesbian or gay content as well as known lesbian and gay writers this volume opens the boundaries of this field to include the writers of popular cultural fiction It places these alongside the canon of poets dramatists and novelists to acknowledge the importance of pop culture to gay and lesbian communities It includes fascinating entries on authors from W H Auden to Alice Walker James Baldwin to Virginia Woolf Also included are those such as Judith Butler who have theorised lesbian and gay culture and writing or have contributed to the uncovering and charting of this vibrant literary history Fully cross referenced and with suggestions for further reading this book offers an invaluable guide to a rich and varied literary culture and is indispensable for anyone with an interest in lesbian and gay writing Drei Erzählungen für junge Mädchen Clementine Helm, 2020-08-04 Reproduction of the original Drei Erzählungen für junge Mädchen by Clementine Helm **Women Writers in German-Speaking Countries** Elke P. Frederiksen, Elizabeth G. Ametsbichler, 1998-02-28 Women have contributed to the literature of German speaking countries since the Middle Ages and they continue to write important works at the close of the 20th century While research on texts by women writers in German speaking countries has increased substantially most of these authors remain virtually unknown to English speaking scholars and students The first work of its kind in English this reference book contains alphabetically arranged entries for 54 Austrian German and Swiss women writers such as Hrotsvit von Gandersheim Louise Aston Elfriede Jelinek and Erica Pedretti from the tenth century to the present day Each entry includes a biography a discussion of major themes a survey of criticism and a bibliography of primary and secondary sources An introductory essay

overviews the history of literature by women in German speaking countries and an extensive bibliography concludes the volume Women have actively shaped literature in German speaking countries from the Middle Ages to the present day These authors continue to enrich the world of letters and an increasing amount of scholarly attention is given to their writings In spite of their contributions however most of these writers are virtually unknown to English speaking scholars and students And though one of the explicit goals of feminist literary and cultural studies has been to provide a voice to a multitude of diverse authors feminist research still seems to focus heavily on texts by authors such as Christa Wolf Ingeborg Bachmann and Bettina von Arnim or on certain periods in 19th and 20th century German literature and culture As a result many other women authors have faded into obscurity Through entries written by expert contributors this reference book provides insights into the life and writings of 54 women authors from German speaking countries Entries are arranged alphabetically to facilitate use while an appendix lists the writers chronologically Included are profiles of authors from the tenth century to the present day such as Hrotsvit von Gandersheim Louise Aston Elfriede Jelinek and Erica Pedretti Each entry includes a biography a discussion of major themes and stylistic features a survey of criticism and a bibliography of primary and secondary sources An introductory essay overviews the history of literature by women in German speaking countries and provides a theoretical context for the work and an extensive bibliography of secondary sources concludes the volume

Frauenliebe und -literatur Cäcilia Ewering, 1992 **The Feminist Encyclopedia of German Literature** Friederike Eigler, Susanne Kord, 1997-02-28 Today a multiplicity of feminist approaches has become an integral part of the fields of German literary and cultural studies This comprehensive reference provides a much needed synthesis of the contribution women have made to German literature and culture In entries for more than 500 topics the volume surveys literary periods epochs and genres critical approaches and theories important authors and works female stereotypes laws and historical developments literary concepts and themes and organizations and archives relevant to women and women s studies Each entry offers a concise identification of the term a discussion of its significance and a bibliography of works for further reading Today a multiplicity of feminist approaches has become an integral part of the fields of German literary and cultural studies While biographical works on women writers exist this is the first reference to synthesize the wealth of feminist scholarship in German studies While existing reference works focus exclusively on women authors this volume contains numerous topical entries and covers the role of women in German literature and culture from the Middle Ages to the present day Included are alphabetically arranged entries on more than 500 topics While some entries are provided for important women writers and other individuals the bulk of the volume provides information on literary periods epochs and genres critical approaches and theories female stereotypes laws and historical developments literary concepts and themes and organizations and archives relevant to women and women s studies Each entry includes a brief identification of the subject a discussion of feminist thought on the topic and a brief bibliography Entries are written by numerous contributors and reflect a range of critical

theoretical approaches "Mehr als bloße Schwärmerei" Sabine Puhlfürst, 2002 *Reading and Revising the Topography of German Culture* Rebecca Anne Raham, 2005 **The Bloomsbury Guide to Women's Literature** Claire Buck, 1992
