Mafia Fix:

Mafia Fix Warren Murphy, Richard Sapir, 2023-09-01 The Mafia is making a power play on US soil smuggling in four shipping containers full of the finest Turkish heroin right under the Fed's noses. It's a shipment large enough to turn a generation into addicts and elevate the Cosa Nostra to new heights. This is a clear and present danger to the future of the nation; the only course for the President is to pick up a very special phone and to ask CURE to send in The Destroyer. The Destroyer is Remo Williams, an ex-cop who should be dead but instead fights for a top secret government law enforcement organisation. Trained in the esoteric martial art of Sinanju by his aged mentor Chiun, Remo is America's last line of defence. Breathlessly action-packed and boasting a winning combination of thrills, humour and mysticism, the Destroyer is one of the bestselling series of all time.

The Fix Declan Hill, 2010-04-13 The Fix is the most explosive story of sports corruption in a generation. Intriguing, riveting and compelling, it tells the story of an investigative journalist who sets out to examine the world of match-fixing in professional soccer. From the Introduction: Understand how gambling fixers work to corrupt a soccer game and you will understand how they move into a basketball league, a cricket tournament or a tennis match, all places by the way that criminal fixers have moved into. My views on soccer have changed. I still love the Saturday morning game between amateurs, the camaraderie and the fresh smell of grass. But the professional game leaves me cold. I hope you will understand why. After reading the book, I think you may never look at sport in the same way again.

The Fix Is In Brian Tuohy, 2010-04-01 Professional sports in America: it's all about fair play and the goal of winning championships. At least that's the spin. But could it be a massive showbiz operation filled with greedy owners, crooked referees and coddled players, all with the unstated goal of grabbing as much money as possible? Author Brian Tuohy provides a full-sourced saga of the corruption that has infected the storied histories of the NBA, MLB, NFL, NHL and NASCAR. With reality obscured by a complacent and often complicit sports media, *The Fix Is In* shines a light on a hidden history of clandestine arrangements between television networks and sports leagues, all against a background of drinking, drugging and crime. Finally, here's a book that unflinchingly examines the sordid underbelly of the American sports industry. Brian Tuohy maintains the website thefixisin.net and is a frequent contributor to the CBS Sports website bleacherreport.com, where he chronicles sports scandals and conspiracies as the stories break. Brian has been interviewed by The New York Times, ESPN, Fox Sports and The Power Hour radio program.

Dr. Quake Warren Murphy, Richard Sapir, 2023-09-01 With the ability to use the awesome destructive power of earthquakes for his own ill-gotten gains, villainous Dr. Quake is threatening to unleash devastation on California unless he's paid a king's ransom. He has the technology and California has the fault lines. But while Quake and his lovely assistants may have plate tectonics under their control, Remo and Chiun are two forces of nature they never planned to contend with. Remo Williams is The Destroyer, an ex-cop who should be dead but instead fights for the secret government law enforcement organisation CURE.
