his own subconscious but whose directions he follows nonetheless with the possibility that they might lead to authenticity and perhaps redemption The adventure draws Tony into deep relational entanglements where he is able to see through the literal eyes and experiences of others but is blind to the consequences of hiding his personal agenda and loss that emerge to war against the processes of healing and trust Will this unexpected coalescing of events cause Tony to examine his life and realize he built a house of cards on the poisoned grounds of a broken heart Will he also have the courage to make a critical choice that can undo a major injustice he set in motion before falling into a coma *The Cake Therapist* Judith Fertig,2015-06-02
