Lights of Dragomar Marc Krautwedel, 2022-08-17 We have to be prepared for everything even for someone who destroys everything so that no one has it not even him They stood side by side again in silence on the terrace high up on the mountain watching the play of colours in the night sky They heard the wind and the occasional cracking of ice floes piled on top of each other in the ocean in front of them The waves that thundered recurrently against the rocks were a low murmur up on the mountain accompanied by the fresh smell of the sea Will we win asked Galbohei without taking his
