    *Children's Books in Print* ,1993     **A Whaleman's Wife** Frank Thomas Bullen,1902     **Montcalm and Wolfe** Francis  
Parkman,2024-06-19 On the 13th September 1759 there lay upon the bloody Plains of Abraham two men Hearing an officer  
cry They run They run one of these dying men raised his head and asked Who runs The enemy replied the officer Then God  
be praised I shall die happy This man was John Wolfe commander of the English army before Quebec The other of these two  
men on being told that his wounds were mortal and that right speedily replied So much the better I shall not live to see the  
surrender of Quebec This man was the Marquis of Montcalm the commander of the French army then in possession of  
Quebec From the names of these two brave Generals Mr Francis Parkman has taken the name of his new history Montcalm  
and Wolfe For many years this learned scholar has been engaged in writing a series of histories illustrative of the struggle  
between these two nations the English and French for the ascendancy on this continent Most volumes hitherto published  
bring the history of the struggle down to 1700 The present work begins with 1748 Thus there is an interim of half a century  
not The events yet covered by Mr Parkman covered in the present volume are the conflict for Acadia the land now known as  
Nova Scotia The great Indian battle known as Brad dock s defeat with the events before and after in which Washington was  
so active The defeat of the Baron Dieskau and the capture of Crown Point The coming of Montcalm to America as the French  
Commander and the capture of Fort William Henry by the French under Montcalm in 1757 With this event and the frightful  
massacre of the English by the Indians as the former left the surrendered fortifications the volume is brought to a close So  
far as history is concerned there has been nothing yet produced in America superior to these books of Mr Parkman s The  
style is vigorous full of spirit even brilliant on occasions when the author warms to his work The sketches of character are  
positively excellent They betray the skill of an Indian in tracing the crooked paths which when unraveled dis pay the human  
character And in the delineation of that character even Scott himself was not greater with old Monkbarns Are you  
incredulous Then turn to the picture of Gen Braddock That gentleman instantly stands before you You will see him as you  
look to day upon living men walking and talking before you But you will see more You will see just why he was beaten just  
why Washington albeit he were the incarnation of human bravery was unable to pluck the flower Victory from the poisonous  
nettle Defeat The picture of Montcalm is only less valuable because it is less piquant it is more matter of fact But when you  
come to Sir William John son you will be again edified as you look into his fortified house at Albany and upon his Dutch  
houskeeper whom subsequently he married and when she was dead upon the young Mohawk squaw who did the honors and  
other things of the house We might go on in just these specifications for the book is full of them but we must stop somewhere  
And we simply say that this history has never taken hitherto anything like so attractive a guise as Mr Parkman has here given  
them The admirable style in which the volume appears is equal to anything issued in this country     Historic Nantucket  
 ,1994     **Fort Halifax** Daniel J. Tortora,2014-04-01 Winslow has grown up around Fort Halifax in its many many

incarnations Beginning as a French and Indian War garrison and trading post the fort welcomed historic figures from Benedict Arnold and Aaron Burr to Paul Revere and Chief Joseph Orono Reduced to one small blockhouse in the 1800s Fort Halifax hosted archaeologists travelers artists politicians and students The Flood of 1987 swept away the blockhouse leaving the fort and its supporters to fight an uphill battle for reconstruction Throughout varied iterations uses trials and tribulations Fort Halifax has remained the symbol of a community Join historian Daniel J Tortora in this engaging narrative of Fort Halifax s fight for survival Meet the famous visitors to the fort the local residents who have cared for it and the figures who have kept its memory relevant and its future hopeful
