Memoirs Of The Early Pioneer Settlers Of Ohio:

Biographical and Historical Memoirs of the Early Pioneer Settlers of Ohio, with Narratives of Incidents and Occurrences in 1775 Samuel Prescott Hildreth, 1852 **Memoirs of the Early Pioneer Settlers of Ohio** S. P.

Hildreth, C. Stephen Badgley, 2011-06-15 Under the leadership of Rufus Putnam 48 men departed New England during the severe winter of 1787-88 and made their way west through the mountains to Sumrill's Ferry on the Youghiogheny River in Pennsylvania. There they spent the winter building two huge flatboats and three canoes to take them down the Youghiogheny to the Monongahela River and then down the Ohio River to their destination a point of land at the mouth of the Muskingum River. Here these pioneers would establish the first settlement in the territory northwest of the Ohio River and name it Marietta. Among these early pioneers who opened the door to western settlement of the United States were many heroic men and officers of the American Revolution. George Washington said I know many of the settlers personally and there never were men better calculated to promote the welfare of such a community. General Lafayette the Frenchman who fought alongside the colonists during their struggle for independence said I knew them well I saw them fighting for their country. They were the bravest of the brave. Better men never lived. This book contains the true stories of these great men and other pioneers who withstood Indian Warfare starvation sickness death and deprivation to establish themselves in the wilderness of the early American frontier and begin the westward expansion of the greatest nation on earth. A great companion book for Pioneer History by S. P. Hildreth first published in 1848. This book is part of the Historical Collection of Badgley Publishing Company and has been transcribed from the original. The original contents have been edited and corrections have been made to original printing spelling and grammatical errors when not in conflict with the author's intent to portray a particular event or interaction. Annotations have been made and additional contents have been added by Badgley Publishing Company in order to clarify certain historical events or interactions and to enhance the author's content. Photos and illustrations from the original have been touched up enhanced and sometimes enlarged for better viewing. Additional illustrations and photos have been added by Badgley Publishing Company. *Biographical and Historical Memoirs of the Early Pioneer Settlers of Ohio* S. P. Hildreth, 2016-08-24 Excerpt from *Biographical and Historical Memoirs of the Early Pioneer Settlers of Ohio* With Narratives of Incidents and Occurrences in 1775 There is nothing more noble than to feel a deep interest in the honor of our country our state or the community in which we mingle. The history of these men belongs to the United States their breasts were often the bulwarks which in the time of trial saved us from the enslaving power of Great Britain and we are endeavoring to preserve their names and their characters from oblivion by erecting this monument to their memory. For the materials on which it is founded the author is indebted to many kind friends generally the relatives of the persons but in an especial manner to W. R. Putnam Esq Hon Judge Cutler Col Joseph Barker and William Slocumb for Corn Whipple to his grandson Dr Comstock of Boston John Howland Esq of Providence Rhode Island and P. G. Robbins M. D. of Roxbury.

Massachusetts The names of many other prominent men are omitted from a lack of the facts on which to found a written biography and the larger number of those here given were obtained with much laborious search amongst old letters volumes of history oral tradition and numerous letters of inquiry written to the relatives of the deceased in various and distant parts of the country A full and well written biography of the late Gov Meigs who was one of the early settlers of Marietta has been published in a posthumous volume of Sketches of the early Settlers of Ohio by the late Alexander Campbell Esq and is not given here The present work has many imperfections but may be the means of preserving some facts not generally known for the use of a future and more able historian About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
