Power Practice: Word Games, Gr. 2-3, eBook Linda Schwartz, 2005-02-01 *Great Word Search Puzzles for Kids* Mark Danna, 1999 Every puzzle has a theme and includes a series of related words hidden among a grid of letters. All you have to do is look for them. Are the words spelled vertically, horizontally, or diagonally? Don't forget to check backward as well as forward. Now here are some more words provoking, stimulating, and entertaining. Together they describe the awesome puzzles in this collection. *Fantastic Word Search Puzzles for Kids* Mark Danna, 2004 Mark Danna knows how to create puzzle challenges that children find irresistible. That's why *Word Search Puzzles for Kids* as well as his other collections sold 149,700 copies. Now he's serving up his sixth helping of ingeniously designed and wildly imaginative word searches that smart youngsters will snap up. Each fun grid is a picture, not a ho-hum square based on the puzzle's theme, including one shaped like a unicorn for a *Fantastic Creatures* search. There are rebuses, too, searches where kids have to make up the word list from clues, and puzzles with extra special tricky twists. The icing on the cake: each word search contains a hidden message that youngsters can only decipher after they've completed the grid. **Amazing Word Search Puzzles for Kids** Mark Danna, 2008 Fun grids, hidden messages, and entertaining twists that only a top puzzlemaker like Mark Danna could dream up. You'll find all that right here in one of the best word search collections ever. It has amazing variety with grids that form cool pictures like a rocket ship to match the puzzle's theme and extra challenges to add spice to the solving. Some searches contain rebuses to decode; others make you come up with the word list yourself, and all of them contain a secret message. Once you've found all the words, read the uncircled letters from left to right and top to bottom to spell out a fascinating fact, riddle, response, or interesting observation. **MORE Remarkable Women Word Search Puzzles** M.
