Mystic Will:

The Mystic Will: A Method of Developing and Strengthening the Faculties of the Mind, through the Awakened Will by a Simple, Scientific Process Possible to Any Person of Ordinary Intelligence Charles Godfrey Leland, 2020-09-28 It happened recently to me as I write to see one afternoon lying on the side walk in the Via Calzaioli in Florence what I thought was a common iron screw about three inches in length which looked as if it had been dropped by some workman And recalling the superstition that it is lucky to find such an object or a nail I picked it up when to my astonishment I found that it was a silver pencil case but made to exactly resemble a screw Hundreds of people had perhaps seen it thought they knew all about it or what it was and then passed it by little suspecting its real value There is an exact spiritual parallel for this incident or parable of the screw pencil in innumerable ideas at which well nigh everybody in the hurrying stream of life has glanced yet no one has ever examined until someone with a poetic spirit of curiosity or inspired by quaint superstition pauses picks one up looks into it and finds that It has ingenious use and is far more than it appeared to be Thus if I declare that by special attention to a subject earnestly turning it over and thinking deeply into it very remarkable results may be produced as regards result in knowledge every human being will assent to it as the veriest truism ever uttered in the fullest belief that he or she assuredly knows all that Yet it was not until within a very few years that I discovered that this idea which seemed so commonplace had within it mysteries and meanings which were stupendously original or remarkable I found that there was a certain intensity or power of attention far surpassing ordinary observation which we may if we will summon up and force on ourselves just as we can by special effort see or hear far better at times than usually The Romans show by such a phrase as *animum adijcere* and numerous proverbs and synonyms that they had learned to bend their attention energetically They were good listeners therefore keen observers Learning to control or strengthen the Will is closely allied to developing Attention and Interest and for reasons which will soon be apparent I will first consider the latter since they constitute a preparation or basis for the former And as preliminary I will consider the popular or common error to the effect that everyone has allotted to him or to her just so much of the faculty of attention or interest as it has pleased Nature to give the same being true as regards Memory Will the Constructive or Artistic abilities and so on when in very truth and on the warrant of Experience all may be increased ad infinitum Therefore we find ignorant men complacently explaining their indifference to art and literature or culture on the ground that they take no interest in such subjects as if interest were a special heaven sent gift Who has not heard the remark He or she takes such an interest in so many things I wish that I could Or as I heard it very recently expressed It must be delightful to be able to interest one's self in something at any time Which was much the same as the expression of the Pennsylvania German girl Ach Gott I wisht I hat genius und could make a pudden

What shall we do for our fellow-men Helena Petrovna Blavatsky, 2017-09-30 Musings of a sophist ignorant of Cosmogony and Theogony **Hereditary Witchcraft** Raven Grimassi, 1999 Discover the real sources of many of the traditions beliefs and techniques of modern Witchcraft And what author Raven Grimassi reveals in Hereditary Witchcraft is the documented ancient roots of the Old Religion One by one Grimassi goes through the tenets of Witchcraft and shows their ancient sources The association of the pentagram with Witchcraft goes back at least 2 500 years The idea of the four elements goes back to a philosopher named Empedocles of Sicily in around 475 B C E The practice of many covens today of having a Priestess Priest and Maiden can be traced back over 2 000 years to ancient Pompeii This book is filled with history myth and folklore But it is also filled with rituals and techniques that you can do On these pages you will learn how to prepare and banish a magic circle

You'll learn rituals you can do by yourself including those for the Solstices, Diana's Day and Cornucopia. With this information you can become a follower of the Old Ways. Of course one of the most famous aspects of Witchcraft is magick. Grimassi doesn't disappoint here either. You'll learn runic magick and divination, you'll learn about doing magick with the Moon and stars, you'll learn secret symbols and the powers of herbs. If you are a Witch or you're thinking about becoming a Witch, this is one of the most important books you could possibly have. You'll find the documentation to support the antiquity of your beliefs and the way Witchcraft is practiced today. This book is both a guide for everyday life and a resource to discover Wiccan origins. If you don't have a copy of this book, get one today. You'll use it for the rest of your life. **Wayfarers** G. Omnifray RPG Expert Manual Matt West, 2009-06-01. The Enshrouded Lands, an earth-like world where magic bubbles away beneath the surface beyond the ken of the common folk, may take so many forms that they really are a thousand worlds in one. This is the second rulebook for the Omnifray RPG. It continues on from the Basic Handbook, delving deeper into the mysterious fabric of the Enshrouded Lands with detailed information on possible backgrounds for player characters and masses of material on an array of secretive cults. It presents the standard advanced rules for fantasy Omnifray in full. The complete Omnifray system awaits you. This book gives your PCs greater access to feats of physical energy and concentration, as well as full access to feats of elder magic, unholy magic, holy magic, mystical power, and destiny. Downtime feats such as divination and herbalism, and feats of combined physical energy and concentration. You must be familiar with the Basic Handbook to use this book. Omnifray is intended for a mature audience. **War over**

Lemuria Richard Toronto, 2013-05-09. Life magazine described the Shaver Mystery as the most celebrated rumpus that rocked the science fiction world. Its creators said it was a new wave in science fiction. Critics called it dangerous nonsense and labeled its fans the lunatic fringe. Whatever else the Shaver Mystery was, it became a worldwide sensation between 1945 and 1948, one of the greatest controversies to hit the science fiction genre. Today, these stories of the remnants of a sinister ancient civilization living in caverns under the Earth are an all-but-forgotten sidebar to the historical record. The Shaver Mystery began as a series of science fiction yarns in *Amazing Stories* nearly 70 years ago. The men behind it, Ray Palmer and Richard Shaver, were derided and seldom understood by a fandom that did its best to sweep them under the carpet of history. Though Ray Palmer was one of the earliest and biggest names in SF fandom, credited with many firsts in his field, his fannish

brethren have roundly ignored him thanks to the Shaver Mystery What is the truth behind these men and their mystery This is the question writers and editors that promoted the Shaver Mystery try to answer as they reveal the behind the scenes story of the phenomenon known as Shaverism

The Gospel of Jesus John Davidson,2005 An uplifting study of Jesus his times and his teaching

The Bloomsbury Anthology of Transcendental Thought David LaRocca,2017-02-23 What is real What is the relationship between ideas and objects in the world Is God a concept or a being Is reality a creation of the mind or a power beyond it How does mental experience coordinate with natural laws and material phenomena The Bloomsbury Anthology of Transcendental Thought is the definitive anthology of responses to these and other questions on the nature and limits of human knowledge by philosophers theologians and writers from Plato to Zizek The word transcendental is as prevalent and also as ambiguously defined as the name philosophy itself There are as many uses invocations and allusions to the term as there are definitions on offer Every generation of writers beginning in earnest in ancient Greece and continuing through to our own time has attempted to clarify apply and lay claim to the meaning of transcendental thought Arranged chronologically this anthology reflects the diverse uses the term has been put to over the course of two and a half millennia It lends historical perspective to the abiding importance of the transcendental for philosophical thinking and also some sense of the complexity richness and continued relevance of the contested term The Bloomsbury Anthology of Transcendental Thought the first anthology of its kind offers teachers and students a new viewpoint on the history and present of transcendental thought Its selection of essential engaging excerpts carefully selected edited and introduced brings course materials up to date with the state of the discipline

The Conscious Activist James O'Dea,2014-12-09 Award winning author James O Dea has created a handbook for those interested in Sacred Activism a fusing spiritual knowledge with radical action O Dea outlines the polarities between the inner path of spiritual growth and the outer path of social activism concluding that the two must co exist in equal weighting so that the human race can become a compassionate force for good James O Dea is a modern day prophet who has journeyed further than anyone I know in the ways of peace Lynne Twist The Conscious Activist is a major contribution to the most important movement of our time one that fuses profound spiritual awareness with radical action It is wise and passionate and superbly written with the kind of graceful but pungent clarity that only long experience can engender Andrew Harvey After reading The Conscious Activist you will drop to your knees in heart opening awe and then you will rise to your feet inspired to act in a truly transformational way Marianne Williamson An extraordinary and rousing manifesto from award winning author James O Dea The Conscious Activist is both a compelling narrative and a deep reflection on the demands of mystical realization and effective activism Throughout the book O Dea poses that an integration of the two has the power to permanently transform the social order and to wake up humanity from its course of rapid self destruction Divided into two parts Part I offers parallel narratives of author James O Dea s training and spiritual development as both a mystic and an activist The mystic he explains must move past petty ego concerns in

order to experience oneness with each other and our divine source The activist on the other hand explores the role of passion and conscience in activating social change In Part II O Dea pursues this fascinating concept of a meeting ground between the two worlds where spirituality and action unite to spark an accelerated transition towards our greater goal a more evolved civilization He asks us all to become conscious activists to learn collectively how to move beyond our rigid conformity to beliefs of the past and its archaic structures of power and control
