People Of The Storm God Travels In Macedonia:

People of the Storm God Will Myer, 2005 *People of the Storm God* Will Myer, 2005 A memoir of travels through the strife torn Balkans in search of the meaning of Macedonian identity **Lakes and Empires in Macedonian History** James Pettifer, Miranda Vickers, 2021-08-26 *Lakes and Empires in Macedonian History* Contesting the Waters tells the story of Psarades a lakeside village in Macedonian Greece on the shores of the Prespa lake This village which is in many ways a completely typical Greek settlement and yet remains unconventional in its way of life embodies the many contradictions of modern history and in exploring its roots James Pettifer and Miranda Vickers skilfully uncover the wider social cultural and political history of this lake region Drawing from oral testimonies and attentive to the construction of national histories this book considers how the development of international borders movement of people and role of national identities within imperial borderlands shaped Macedonia today What is more by centering the lakes and making use of an innovative environmental historical methodology Pettifer and Vickers offer the first environmental history of this multi ethnic borderland region shared by Greece North Macedonia and Albania The result is a nuanced and sophisticated transnational account of Macedonia from prehistory to the 21st century which will be essential reading for all Balkan scholars
