Piety and Politics in Britain, 14th-15th Centuries John A.F. Thomson, edited by Graeme Small, 2023-04-14 This volume explores a range of topics during a turbulent period in British history with particular emphasis on political change and popular piety On the eve of the Reformation religious beliefs were shaped by a church which was falling under the growing control of the state and by responses to England's one and only heretical movement Lollardy In political life gradual disengagement from a cross Channel political world was followed by civil war and the eventual rise of a strong Tudor monarchy As this volume demonstrates in a number of ways the impact of many of these macro changes was felt across the British Isles not just in England But the studies presented here frequently explore major change through the experience of the middling sort the gentry active in local government the English merchants and Scottish immigrants making important life choices in major cities or the industrious clerics charged with the routine administration of the church By looking at the case studies of these men in more detail we begin to appreciate that even in this age of great change there were profound continuities which carried through into the sixteenth century Along the way too new light is thrown on the authorship date and redaction of texts which continue to shape our understanding of late medieval British history

The Morning Star G. H. W. Parker, 2006-02-06 In a generation when Western Christendom was convulsed by crisis in its religious leadership and its kingdoms were divided in political rivalries John Wycliffe stood out with his torrid denunciation of abuses in the Christian Church More works have been written about him than any other medieval Englishman and yet to explain what he sought to do or achieved paradoxically remains difficult The greater part of his life was spent in a university career and academic disputation and very little is known of the details of this period before he emerged into public affairs For the last dozen years or so before his death he became entangled in English ecclesiastical and secular politics and in this career eventually gave his attention more exclusively to demands for the reform of doctrines and abuses from chapter 2

Medieval Monks and Their World: Ideas and Realities David Blanks, Michael Frassetto, Amy Livingstone, 2019-01-28 This volume examines the world of the medieval monk The first section of the volume is organized around the theme of monks and the world and explores the intersections between the secular and sacred The second section is concerned with the ideological or intellectual lives of medieval monks These essays examine the ideas that were important to monks and that shaped the intellectual discourse of the Middle Ages Contributors include David R Blanks Constance B Bouchard Darlene L Brooks Hedstrom Daniel F Callahan M A Claussen John J Contreni Edith Wilks Dolnikowski Michael Frassetto Amy Livingstone Kathleen Mitchell and Steven A Stofferahn

Subject Index of the Modern Books Acquired by the British Museum in the Years ... British Museum,1922 Bishop Reginald Pecock V. H. H. Green,2014-05-29 Originally published in 1945 this book presents a comprehensive study of Reginald Pecock the fifteenth century Bishop of Chichester The Spectator ,1919 A weekly review of politics literature theology and art **Lollards and Reformers** Margaret Aston,1984-07-01 While much has been written on the connections between Lollardy and the Reformation this collection of essays is the first detailed and satisfactory interpretation of many aspects of the problem Margaret Aston shows how Protestant Reformers derived encouragement from their predecessors while interpreting Lollards in the light of their own faith This highly readable book makes an important contribution to the history of the Reformation bringing to life the men and women of a movement interesting for its own sake and for the light it sheds on the religious and intellectual history of the period

The Top Books of the Year Peoples Faith In The Time Of Wyclif The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Peoples Faith In The Time Of Wyclif : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Peoples Faith In The Time Of Wyclif : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
