Regional Economic History The Midatlantic Area Since 17:

Regional Economic History Glenn Porter, 1976 **The Lowcountry Engineers** Jamie W. Moore, 1982 **The Regional Travel Guide for the Mid-Atlantic (United States)** , *South Carolina Historical Magazine* , 1979 The Mid-Atlantic Engineers Harold K. Kanarek, 1978 *Research in Economic History* Christopher Hanes, Susan Wolcott, 2021-09-30 In this 37th volume of *Research in Economic History* editors Christopher Hanes and Susan Wolcott assemble a group of lead experts to showcase new historical data analyses of historical questions and an investigation of historians networks **The American Way** Carville Earle, 2003-02-04 The geography of contemporary U S political economy the relocation of firms toward the sunbelt and abroad the decline of manufacturing in the rust belt and the rise of footloose producer services NAFTA inspired trade flows has roots that run deep into our past This innovative history by one of our most distinguished historical geographers traces their growth back to the seventeenth century origins of liberalism republicanism and the regular financial crises by then endemic in capitalist societies The problem the English and then the Americans faced was overcoming these crises while avoiding the political extremes of royal absolutism and later of socialism communism and fascism The English way alternated between the doctrinaire ideologies and geographies of republicanism and liberalism In 1776 by mixing elements of both Americans created entirely new ideological alloys Henceforth policy regimes alternated between Democrats and Republicans and their distinctive fusions of liberal and republican ideology Democrats combined publicanism s tenets of equality diversified and volatile regions and consumer revolution with liberalism s tenets of free trade geographical consolidation and dispersion New Deal liberalism Republicans mixed liberalism s biases toward elites regional specialization and stability and producer revolution with republicanism s tilt toward nationalism expansionism and demographic concentration Reagan s America Muddying liberal and republican ideologies and geographies in ways that tempered their extremes Americans would add one more twist Thrice upon the birth of the first second and third republics they enlarged the geographical jurisdictions of the federal government extended the domains of U S power and redefined the nature of the state Carville Earle defines these enlargements as the distributive and partisan sectional state of the 1790s the regulatory and redistributive national state of the 1880s and the neoliberal transnational state of the 1980s In tandem with the American dynamic of crisis and recovery the author argues that these three states have fashioned a dynamic and dialectical series of geographies that as tools of ideology have done much more to ensure the growth and viability of the U S economy polity and society Region, Economy, and Party Ann Marie Dykstra, 1989 *Internal Improvement* John Lauritz Larson, 2002-11-25 When the people of British North America threw off their colonial bonds they sought more than freedom from bad government most of the founding generation also desired the freedom to create and enjoy good popular responsive government This book traces the central issue on which early Americans pinned their hopes for positive government action internal improvement The nation s early republican governments undertook a wide range of internal improvement projects

meant to assure Americans security prosperity and enlightenment from the building of roads canals and bridges to the establishment of universities and libraries But competitive struggles eventually undermined the interstate and interregional cooperation required and the public soured on the internal improvement movement Jacksonian politicians seized this opportunity to promote a more libertarian political philosophy in place of activist positive republicanism By the 1850s the United States had turned toward a laissez faire system of policy that ironically guaranteed more freedom for capitalists and entrepreneurs than ever envisioned in the founders revolutionary republicanism

OCS (Outer Continental Shelf) Oil and Gas Lease Sale No.49, Mid-Atlantic States, 1979 (NJ,DE) ,1978 **Mastering Iron** Anne Kelly Knowles,2013-01-15 Veins of iron run deep in the history of America Iron making began almost as soon as

European settlement with the establishment of the first ironworks in colonial Massachusetts Yet it was Great Britain that became the Atlantic world s dominant low cost high volume producer of iron a position it retained throughout the nineteenth century It was not until after the Civil War that American iron producers began to match the scale and efficiency of the British iron industry In *Mastering Iron* Anne Kelly Knowles argues that the prolonged development of the US iron industry was largely due to geographical problems the British did not face Pairing exhaustive manuscript research with analysis of a detailed geospatial database that she built of the industry Knowles reconstructs the American iron industry in unprecedented depth from locating hundreds of iron companies in their social and environmental contexts to explaining workplace culture and social relations between workers and managers She demonstrates how ironworks in Alabama Maryland Pennsylvania and Virginia struggled to replicate British technologies but in the attempt brought about changes in the American industry that set the stage for the subsequent age of steel Richly illustrated with dozens of original maps and period art work all in full color *Mastering Iron* sheds new light on American ambitions and highlights the challenges a young nation faced as it grappled with its geographic conditions *Congressional Record* United States. Congress,1978 The *Congressional Record* is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The *Congressional Record* began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789 1824* the *Register of Debates in Congress 1824 1837* and the *Congressional Globe 1833 1873* *Directory of American Scholars* ,1982
