Examining the Market Power and Impact of Proxy Advisory Firms United States. Congress. House. Committee on Financial Services. Subcommittee on Capital Markets and Government Sponsored Enterprises,2013 **In the Chamber of Risks** William Leiss,2001 Leiss shows that both risk management and risk communication when properly constructed require an elaborate process because the very things that can cause harm are in most cases the same things that bring us great benefits such as paper mills electricity from nuclear power generating stations or wireless telecommunications *Public Policy Toward Corporate Takeovers* Murray L. Weidenbaum,Kenneth W. Chilton, This volume examines critical issues in the debate over the effects of the current wave of corporate takeovers Media accounts are often sensational but proposed public policy remedies need to be evaluated on the basis of more than simple rhetoric The studies contained in this collection provide solid economic grounding for the debate Public Policy Toward Corporate Takeovers is the result of extensive research sponsored by the Center for the Study of American Business and directed by Murray Weidenbaum it examines key aspects of takeovers the evolving regulatory role of the Antitrust Division state versus federal authority over offensive and defensive takeover maneuvers whether leveraged buyouts improve the firm s economic performance and the validity of assertions about entrenched managements The book also includes the views of the most publicized corporate raider T Boone Pickens Balancing Pickens highly favorable view of the value of hostile takeovers as a disciplining factor for subpar management performance is a chapter by David Ravenscraft of the Federal Trade Commission who takes a long term viewpoint and argues that the popular belief that takeovers create substantial efficiencies has not been borne out by the record The overall findings do not fully support either side of the takeover controversy The book presents both legal and economic perspectives and suggests strategies for government policymakers as well as leaders of private enterprise
