Rehnquist Court Judicial Activism On The Right:

The Rehnquist Court Herman Schwartz, 2002 An analysis of recent Supreme Court decisions by some of the nation's most important judicial scholars explores the decisions handed down by the Rehnquist court *Measuring Judicial Activism* Stefanie Lindquist, Frank Cross, 2009-04-23 Measuring Judicial Activism supplies empirical analysis to the widely discussed concept of judicial activism at the United States Supreme Court The book seeks to move beyond more subjective debates by conceptualizing activism in non ideological terms **Measuring Judicial Activism** Stefanie Lindquist, Frank Cross, 2009-04-13 This book informs the debates about judicial activism with concrete empirical analyses of what judges actually do Much has been written about judicial activism but little social science analysis has been used to approach the topic Since most of the scholarship is normative doctrinal or historical Measuring Judicial Activism will play a key role in future debates as a non ideological source of information and will likely become the authoritative book on the subject

The Lost History of the Ninth Amendment Kurt T. Lash, 2009-03-27 The Ninth Amendment has had a remarkably robust history playing a role in almost every significant constitutional debate in American history including the controversy over the Alien and Sedition Acts the struggle over slavery and the constitutionality of the New Deal Until very recently however this history has been almost completely lost due to a combination of historical accident mistaken assumptions and misplaced historical documents Drawing upon a wide range of primary sources most never before included in any book on the Ninth Amendment or the Bill of Rights Kurt T Lash recovers the lost history of the Ninth Amendment and explores how its original understanding can be applied to protect the people's retained rights today The most important aspect of The Lost History of the Ninth Amendment is its presentation of newly uncovered historical evidence which calls into question the currently presumed meaning and application of the Ninth Amendment The evidence not only challenges the traditional view regarding the original meaning of the Ninth Amendment it also falsifies the common assumption that the Amendment lay dormant prior to the Supreme Court's discovery of the clause in *Griswold v Connecticut* As a history of the Ninth Amendment the book recapitulates the history of federalism in America and the idea that local self government is a right retained by the people This issue has particular contemporary salience as the Supreme Court considers whether states have the right to authorize medicinal use of marijuana refuse to assist the enforcement of national laws like the Patriot Act or regulate physician assisted suicide The meaning of the Ninth Amendment has played a key role in past Senate confirmation hearings for Supreme Court justices and the current divide on the Court regarding the meaning of the Ninth Amendment makes it likely the subject will come up again during the next set of hearings **The Encyclopedia of the Supreme Court** David Shultz, 2005 An illustrated A Z reference containing over 500 entries related to the history important individuals structure and proceedings of the United States Supreme Court **Barry Goldwater and the Remaking of the American Political Landscape** Elizabeth Tandy Shermer, 2013-02-28 Barry Goldwater lost the race for the presidency in 1964 but his

conservative agenda sparked a movement that has had profound and far reaching effects on American politics and society This is a long overdue reconsideration of the life times and legacy of a polarizing politician who is as reviled as he is revered

Encyclopedia of American Civil Rights and Liberties Kara E. Stooksbury, John M. Scheb II, Otis H. Stephens Jr., 2017-09-21 Thoroughly updated and featuring 75 new entries this monumental four volume work illuminates past and present events associated with civil rights and civil liberties in the United States This revised and expanded four volume encyclopedia is unequalled for both the depth and breadth of its coverage Some 650 entries address the full range of civil rights and liberties in America from the Colonial Era to the present In addition to many updates of material from the first edition the work offers 75 new entries about recent issues and events among them dozens of topics that are the subject of close scrutiny and heated debate in America today There is coverage of controversial issues such as voter ID laws the use of drones transgender issues immigration human rights and government surveillance There is also expanded coverage of women s rights gay rights gay marriage and Native American rights Entries are enhanced by 42 primary documents that have shaped modern understanding of the extent and limitations of civil liberties in the United States including landmark statutes speeches essays court decisions and founding documents of influential civil rights organizations Designed as an up to date reference for students scholars and others interested in the expansive array of topics covered the work will broaden readers understanding of and appreciation for the people and events that secured civil rights guarantees and concepts in this country At the same time it will help readers better grasp the reasoning behind and ramifications of 21st century developments like changing applications of Miranda Rights and government access to private Internet data Maintaining an impartial stance throughout the entries objectively explain the varied perspectives on these hot button issues allowing readers to draw their own conclusions

A Companion to Ronald Reagan Andrew L. Johns, 2015-02-10 A Companion to Ronald Reagan evaluates in unprecedented detail the events policies politics and people of Reagan s administration It assesses the scope and influence of his various careers within the context of the times providing wide ranging coverage of his administration and his legacy Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature Offers a mix of historiographic chapters devoted to foreign and domestic policy with topics integrated thematically and chronologically Includes a section on key figures associated politically and personally with Reagan

The Embattled Constitution Norman Dorsen, 2013-06-07 An indispensable and provocative guide through the thicket of today s most challenging constitutional controversies by some of the most eminent judges of their time It offers an invaluable peek behind the curtain of judicial decision making David Cole Professor of Law Georgetown University The Embattled Constitution presents the fourth collection of the James Madison lectures delivered at the NYU School of Law offering thoughtful examinations of an array of topics on civil liberties by a distinguished group of federal judges including Justice Stephen Breyer of the U S Supreme Court The result is a fascinating look into the minds of

the judges who interpret apply and give meaning to our embattled Constitution In these insightful and incisive essays the authors bring to bear decades of experience to explore wide ranging issues Are today s public schools racially segregated To what extent can the federal courts apply the Bill of Rights without legislative guidance And what are the criteria for the highest standards of judging and constitutional interpretation The authors also discuss how and why the Constitution came to be embattled shining a spotlight on the current polarization in both the Supreme Court and the American body politic and offering careful and informed analysis of how to bridge these divides Contributors include Marsha S Berzon Michael Boudin Stephen Breyer Guido Calabresi Robert H Henry Robert Katzmman Pierre N Leval M Blane Michael Davis S Tatel J Harvie Wilkinson III and Diane P Wood

Equitable Sharing Thomas Kleven,2013-12-16 Equitable Sharing Distributing the Benefits and Detriments of Democratic Society argues that a principle of equitable sharing one that requires the benefits and detriments of social life to be fairly distributed among all members of society is fundamental to the concept of democracy and is implicit in the founding documents of the democratic society the United State purports to be To illustrate the centrality of equitable sharing to democracy this book examines the political philosophies of John Locke John Stuart Mill and John Rawls Locke s libertarianism Mill s utilitarianism and Rawls egalitarianism represent major strains of Western democratic theory and all contain a principle of equitable sharing in some form To illustrate the centrality of equitable sharing to U S society the book examines the Declaration of Independence and the Constitution While these documents do not set forth a particular version of equitable sharing they contain elements of all of Locke s Mill s and Rawls philosophies and evidence a commitment to equitable sharing as fundamental to the democratic society they contemplate The task of U S society throughout its existence has been to engage in an on going dialogue that gives life to the commitment to equitable sharing set forth in its founding documents As the elected representatives of the people and the repository of the powers through which to implement much of what equitable sharing requires the primary responsibility for implementation rests with the legislative branch This book argues that the Supreme Court interacting with the public and the legislature also has a meaningful role to play in the dialogue over the requirements of equitable sharing and can play this role in a manner consistent with democratic principles This point is illustrated through a discussion of several contemporary issues same sex marriage racial integration in public schools health care and the regulation of the electoral process

Historical Dictionary of the Civil Rights Movement Christopher M. Richardson,Ralph E. Luker,2014-06-11 The fiftieth anniversary of many major milestones in what is commonly called the African American Civil Rights Movement was celebrated in 2013 Fifty years removed from the Birmingham campaign the assassination of Medgar Evers and the March on Washington and it is clear that the sacrifices borne by those generations in that decade were not in vain Monuments museums and exhibitions across the world honor the men and women of the Movement and testify to their immeasurable role in redefining the United States The second edition of Historical Dictionary of the Civil Rights Movement is a guide to the history of the African American struggle for equal rights

in the United States The history of this period is covered in a detailed chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities significant legal cases local struggles forgotten heroes and prominent women in the Movement This book is an excellent access point for students researchers and anyone wanting to know more about the Civil Rights Movement *Biographical Encyclopedia of the Supreme Court* Melvin I. Urofsky, 2006-05-25 The recent dramatic shift in makeup of the U S Supreme Court has led to great interest in the rulings and legal opinions of its justices Now CQ Press brings you a comprehensive volume that analyzes the lives and legal philosophies of all past and present justices of the Court *Biographical Encyclopedia of the Supreme Court* includes signed essays profiling the men and women who have served and are serving on the U S Supreme Court This one of a kind reference includes not only important biographical information but also in depth details of the legal contributions made by the men and women of the nation s highest bench Keeping up with the recent changes to the Court this volume includes all current justices New essays profile Chief Justice John Roberts and Justice Samuel Alito Justices are arranged in an easy to use alphabetical format Each essay is prefaced with key biographical information for each justice such as Birth and death dates Date of nomination to the Court The name of president who nominated the justice The date he or she was seated Date range of service on the Court Within each essay written by a top legal expert scholar or journalist *Biographical Encyclopedia of the Supreme Court* provides facts and context along with analysis of the opinions and legal philosophies for each justice This new volume is an updated edition of *The Supreme Court Justices A Biographical Dictionary* 1994 It will prove a valuable resource for academic community college law school and public libraries **The ^ARehnquist Court** Martin H. Belsky, 2002-04-04 In 1986 the Supreme Court s leading conservative William H Rehnquist labeled by Newsweek as The Court s Mr Right was made Chief Justice Almost immediately legal scholars practitioners and pundits began questioning what his influence would be and whether he would remake our constitutional corpus in his own image Would the center hold or fold This collected volume edited by Martin H Belsky is the third in a series which includes *The Warren Court* and *The Burger Court* both edited by Bernard Schwartz It gathers together a distinguished group of scholars journalists judges and practitioners to reflect on the fifteen year impact of the Rehnquist Court The work provides an overview of the Rehnquist Court s influence to date examines in detail the seminal issues confronted by the Court and places the Court in broad historical perspective Subjects discussed include First Amendment rights and cyberspace criminal justice reform the Court s pattern of constitutional interpretation the international impact of the Rehnquist Court and the Supreme Court s increasing interaction with state constitutional law A comprehensive look at the significant shifts in constitutional jurisprudence under Rehnquist s leadership this volume illustrates how the Rehnquist Court has brought us almost full circle from the judge made revolution of the Warren Court A must have for all students of the Court and legal history this book contains fascinating insights into one of the century s most controversial courts and a legacy still in the making *Crime,*

Inequality and the State Mary Vogel, 2020-10-28 Why has crime dropped while imprisonment grows This well edited volume of ground breaking articles explores criminal justice policy in light of recent research on changing patterns of crime and criminal careers Highlighting the role of conservative social and political theory in giving rise to criminal justice policies this innovative book focuses on such policies as three strikes two in the UK and you re out mandatory sentencing and widespread incarceration of drug offenders It highlights the costs in both money and opportunity of increased prison expansion and explores factors such as labour market dynamics the rise of a prison industry the boost prisons provide to economies of underdeveloped regions the spreading political disenfranchisement of the disadvantaged it has produced Throughout this book hard facts and figures are accompanied by the faces and voices of the individuals and families whose lives hang in the balance This volume an essential resource for students policy makers and researchers of criminology criminal justice social policy and criminal law uses a compelling inter play of theoretical works and powerful empirical research to present vivid portraits of individual life experiences

The Conscience of the Constitution Timothy Sandefur, 2013-11-12 The Conscience of the Constitution The Declaration of Independence and the Right to Liberty documents a forgotten truth the word democracy is nowhere to be found in either the Constitution or the Declaration But it is the overemphasis of democracy by the legal community rather than the primacy of liberty as expressed in the Declaration of Independence that has led to the growth of government power at the expense of individual rights Now more than ever Sandefur explains the Declaration of Independence should set the framework for interpreting our fundamental law In the very first sentence of the Constitution the founding fathers stated unambiguously that liberty is a blessing Today more and more Americans are realizing that their individual freedoms are being threatened by the ever expanding scope of the government Americans have always differed over important political issues but some things should not be settled by majority vote In *The Conscience of the Constitution* Timothy Sandefur presents a dramatic new challenge to the status quo of constitutional law Justices, Presidents, and Senators Henry J. Abraham, 2008 Explains how United States presidents select justices for the Supreme Court evaluates the performance of each justice and examines the influence of politics on their selection

Political Institutions and Lesbian and Gay Rights in the United States and Canada Miriam Smith, 2008-08-18 Lesbian and gay citizens today enjoy a much broader array of rights and obligations and a greater ability to live their lives openly in both the U S and Canada However while human rights protections have been exponentially expanded in Canada over the last twenty years even basic protections in areas such as employment discrimination are still unavailable to many in the United States This book examines why these similar societies have produced such divergent policy outcomes focusing on how differences between the political institutions of the U S and Canada have shaped the terrain of social movement and counter movement mobilization It analyzes cross national variance in public policies toward lesbians and gay men especially in the areas of the decriminalization of sodomy the passage of anti discrimination laws and the enactment of measures to recognize same sex

relationships For political science sociology and queer studies alike this book will prove vital as movements for lesbian and gay rights continue to recast the social landscape in North America and beyond

The Development of the American Presidency Richard J. Ellis, 2015-06-26 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding beyond the current newspaper headlines The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines and practice quizzes to help students master the book s lessons The second edition a new chapter on unilateral powers that brings greater attention to domestic policymaking

The Most Activist Supreme Court in History Thomas M. Keck, 2010-02-15 When conservatives took control of the federal judiciary in the 1980s it was widely assumed that they would reverse the landmark rights protecting precedents set by the Warren Court and replace them with a broad commitment to judicial restraint Instead the Supreme Court under Chief Justice William Rehnquist has reaffirmed most of those liberal decisions while creating its own brand of conservative judicial activism Ranging from 1937 to the present *The Most Activist Supreme Court in History* traces the legal and political forces that have shaped the modern Court Thomas M Keck argues that the tensions within modern conservatism have produced a court that exercises its own power quite actively on behalf of both liberal and conservative ends Despite the long standing conservative commitment to restraint the justices of the Rehnquist Court have stepped in to settle divisive political conflicts over abortion affirmative action gay rights presidential elections and much more Keck focuses in particular on the role of Justices O Connor and Kennedy whose deciding votes have shaped this uncharacteristically activist Court

Civil Rights and Liberties in the 21st Century John C. Domino, 2018-04-19 This up to date analysis of the Supreme Court s landmark rulings on civil rights and liberties is a discussion of the facts legal issues and constitutional questions surrounding those rulings Domino s book serves as either a core text in courses on civil liberties and civil rights or as a supplementary text in courses on constitutional law and the judiciary The book is written in the belief that the key to understanding constitutional

law is not having the right answers but asking the right questions It encourages students to be critical thinkers and provides a historical context so students can better understand competing social legal and political interests affecting the Supreme Court s decisions today The text also includes numerous short excerpts from some of the more influential eloquent and controversial Supreme Court opinions to illustrate the handiwork of the powerful legal minds who have helped to shape our society It reminds us that the Court is not an abstract legal mechanism but rather a group of human beings with divergent opinions New to the Fourth Edition Up to date discussion of recent rulings from the standpoint of the Court as a Cultural Tribunal including freedom of expression including hate speech and the historic Citizens United case on campaign finance freedom of religion including prayer during public meetings and the controversial Hobby Lobby case on corporate religious belief social issues including reproductive rights abortion and the landmark Obergefell case on same sex marriage New section on obscenity and the First Amendment including discussion of Internet pornography Expanded discussion of the use of GPS and thermal scanning technology by law enforcement and issues surrounding mobile phone privacy The nomination and confirmation politics surrounding the death of Antonin Scalia the failed nomination of Merrick Garland and the confirmation of Trump appointee Neil Gorsuch Analysis and comparison of the Roberts Court to the Rehnquist Burger and Warren Courts revisiting the question of counterrevolution that set the theme for previous editions
