Reiki Medicina Energetica

Judd E. Hollander

Reiki Medicina Energetica:

Reiki medicina energética Libby Barnett, Maggie Babb, 2001-03 El cuerpo humano es un campo energético que fluye constantemente y no un conjunto de partes que funcionan al un son. Todas las enfermedades físicas tienen su raíz en este sistema energético. El reiki un antiguo arte terapéutico por imposición de manos cuyos orígenes se remontan a los sutras tibetanos es un instrumento que nos permite recargar, realinear y equilibrar el campo energético creando las condiciones necesarias para el funcionamiento integral de los sistemas curativos del cuerpo. MEDICINA ENERGÉTICA REIKI es el primer libro que enseña cómo se ha ido incluyendo el reiki dentro del modelo tradicional de atención a la salud. El sistema sanitario obliga a las instituciones a proporcionar un servicio de alta calidad pero de bajo costo por ello se ha reconocido que el reiki es un valioso medio para aumentar al máximo la atención al paciente y reducir al mínimo su tiempo de recuperación. A diferencia de otras terapias complementarias el reiki no requiere de tecnología complicada ni de largos entrenamientos. Cualquier disciplina terapéutica puede incorporarlo fácilmente a su especialidad. Muchos enfermeras, terapeutas de rehabilitación, cirujanos, parteras y anestesiólogos informan que el reiki alivia el dolor y acelera la curación. Consejeros y cuidadores estiman que el reiki da a los enfermos terminales más capacidad física y emocional para sobrellevarlo. Sus relatos hacen pensar que el reiki es una de las mayores esperanzas de la medicina con miras a un futuro de curación y bienestar más compasivo.

La Dieta del Equilibrio Esencial Marcelle Pick, MSN OB/GYN NP, 2009-11-01 De la cofundadora de Women to Women una de las primeras clínicas del país dedicada a brindar atención médica a las mujeres nos llega una forma totalmente nueva de perder peso. La Dieta del Equilibrio Esencial por Marcelle Pick extrae décadas de experiencia personal y con pacientes para resolver el misterio de la dificultad y la frustración para bajar de peso en las mujeres ya sea que acabes de subir de peso o ya lleves lidiando con eso durante años. Este programa innovador que ha beneficiado a muchos miles de mujeres que visitan la clínica cada año tiene sus raíces en la ciencia nutricional de vanguardia que explora la relación entre las hormonas, el metabolismo y el aumento de peso de las mujeres. En términos claros Marcelle Pick conecta los puntos entre el autoconocimiento, el cuidado de uno mismo y la capacidad de perder peso ampliando el concepto de cuerpo-mente espiritual para demostrar por qué y cómo la biografía de una mujer se convierte en su biología. En su nivel más básico La Dieta del Equilibrio Esencial muestra cómo auto diagnosticar uno de los seis principales desequilibrios bioquímicos que pueden estar evitando la pérdida de peso. Estos incluyen desequilibrios digestivos, hormonales, suprarrenales, neurotransmisores, inflamatorios y desintoxicantes. A partir de ahí la autora nos guía a través de un estilo de vida fácil y cambios personalizados en la dieta para atender tu desequilibrio específico. En este libro aprenderás a comenzar a vivir de una manera que fomente una salud óptima sin muchas privaciones ni reglas estrictas en la dieta logrando el equilibrio esencial de adentro hacia afuera y por supuesto una pérdida de peso de por vida.

O Guia do Pai Consciente para a Ansiedade na Infância Uma abordagem consciente para ajudar seu filho a se tornar calmo, resiliente e seguro , Introduz o que aprendemos sobre o cérebro mudou

drasticamente nos últimos dez anos. Novas pesquisas científicas comprovaram como nossos cérebros são vastos e intrinsecamente conectados. Sim, o não mero diagnóstico de ansiedade em crianças e adolescentes parece estar aumentando, mas também existem estratégias confiáveis e sólidas comprovadas para aliviar a ansiedade. Também está aumentando o não mero de pais comprometidos com a paternidade consciente. Em vez de ficarem paralisados pelos desafios de seus filhos, os pais conscientes optam por expor seus filhos a habilidades, ferramentas e estratégias para a vida que talvez nunca tenham aprendido de outra forma. Como um pai consciente, você pode ajudar seu filho a usar estratégias mente-corpo e técnicas de relaxamento para entender e trabalhar com os sintomas de ansiedade. Você pode ajudar seu filho a aprender que ele pode escolher como interpretar e responder aos sintomas. Se ele se sentir sobrecarregado ou com medo do que pode acontecer, ele pode selecionar respostas que fazem mais mal do que bem. Por outro lado, ver sua mente e corpo como um recurso aumenta sua capacidade de superar o estresse e os medos com mais confiança e facilidade. Pegar um livro sobre como cuidar de uma criança com ansiedade pode ser a última coisa que você esperava. Sem dúvida, pode parecer um pouco desanimador e desconfortável. Você pode até sentir um pouco de seus próprios medos e inseguranças vindos à tona. Mas você deu o primeiro passo para apoiar seu filho durante os sintomas de ansiedade enquanto constrói a resiliência interior de seu filho.

O Guia do Pai Consciente para a Ansiedade na Infância reconhece a ansiedade como uma jornada de autoconsciência, não apenas para seu filho, mas para toda a família. Sem essa consciência, os tratamentos e estratégias de ansiedade podem falhar, fornecendo apenas alívio de curto prazo. Como resultado, a vida de seu filho em suas próprias habilidades e progresso pode ser comprometida. A autoconsciência exige conhecimento, habilidades e prática, mas uma vez adquirida, seu filho estará um passo mais perto de assumir o controle de suas emoções e medos com confiança. No final, a ansiedade não é mais algo que seu filho precisa vencer, mas sim uma oportunidade de fortalecer sua identidade e caráter. Considere este livro como uma porta de entrada para revelar a verdadeira natureza de seu filho. A ansiedade não é a identidade do seu filho, nem o seu futuro, uma oportunidade para seu filho aprender habilidades que permitem que ele se aproxime de quem ele é, em vez de ficar preso a quem ele não é.
