Instructions to identify the physical symptoms of past life trauma Out of body experiences near death experiences and how to heal the past Exclusive interviews with Carol Bowman one of America s foremost past life regression therapists and celebrity regression specialist Lee Everett who reveals some of the past lives of Elton John and Brian May **True Real Life Stories of Reincarnation** Richard Bullivant,2015-10-01 Have you lived before Suddenly the idea of reincarnation has produced a wave of resonance in modern society and struck a chord This book documents the growing public acceptance of the possibility that all of us will live again after we finish our present go around on the planet Earth The ancient concept of reincarnation and past lives has not only re emerged into our modern consciousness but seems to have become a more natural and accepted part of our world view Some studies show that twenty five percent of people in modern western countries now agree that reincarnation is not only possible but a reality The implications of this are enormous Imagine a population that has been released from the fear of death Suddenly we have all the time in the world eternity in fact Life now takes on a new dimension of meaning We realize that this is not all there is and we also understand that we are more than our physical bodies and because we are more than our physical bodies we can access that which is beyond the physical Our potential is virtually unlimited Freedom from the fear of death is a kind of universal freedom that can flow across all aspects of life and living Knowing that we are not mere physical lumps of biological matter but indestructible souls constructed of pure consciousness is a magnificent vision for humanity Knowing that we are souls means that we can live out our lives from that basic understanding It is the ultimate empowerment No doubt many will remain sceptical about the possibility of reincarnation But it seems this is a concept and a phenomenon that is not going away Those amazing headlines in the media just keep coming Every day more people average ordinary everyday people are discovering that they have an undeniable connection to something larger something infinite and something absolutely amazing Table of Contents Bentreshyt A Priestess of Isis The Reawakening of Marty Martyn Past Lives on Other Planets The Interesting Case of Sherrie Lea Laird and Marilyn Life on Mars Group Reincarnation The Druze The Genius Connection The Science of Reincarnation **Life Stories Life Readings** Numa Jay Pillion,2004-09-01 Numa Jay Pillion set out to achieve the dream he had nurtured for a lifetime Years later left with only the clothes on his back he began to question his true purpose He discovered it in a Life Reading a communication from spirit planes delivered through a medium In the process he also discovered that the sexual orientation he had struggled with was a byproduct of reincarnation and that we are first and foremost members of one spiritual world with the ability to contact beings in other realms Part memoir part window on seldom glimpsed planes of existence Life Stories Life Readings takes us on a spiritual journey we won t soon forget **My Journey Down the Reincarnation Highway** Frank Mares,2012-11 In this personal account one man details how he discovered the fact of reincarnation and explores what he did in his prior lives More people than you would believe have prior life memories In his new spiritual memoir My Journey down the Reincarnation Highway The True Story of a Man who found nine of His Past Lives author and

businessman Frank Mares tells how he acquired psychic ability in his middle age With this new gift he recovered facts about nine of his prior lives most of which involved violent bloody deaths The most recent life was that of a young German Wehrmacht sergeant who was ambushed and killed by Russians during the night of May 1 1944 in a dark Estonian farmhouse Not being satisfied with just discovering his past lives Mares goes on a spiritual mission to find out why he kept dying violently The answers do not come easily but by using a team of three world class psychics he eventually tracks down the shocking reason for all his brutal deaths The psychic team finds that within the soul of this normal small businessman resides a brutal stone cold killer from the 1600 s who surprisingly was the revered founder of a gentile noble family As part of his soul s continuing quest for redemption Mares hopes to salvage the dark time in his soul s past into something that could help others today His experiences show that death is only a transition phase and that it should not be feared His book also reveals that reincarnation is actually a well designed organized system that allows souls to learn personalized life lessons over a surprising number of lives If you read this book you will never look at life and death in the same way again 50 Popular Beliefs That People Think Are True Guy P.
