Teeth sometimes bite the tongue but they remain together. Let us be merciful and slow to anger, rich in kindness and fidelity. Love is patient, it is full of greatness and sacrifice. Should we not be a source of love in order to know the height, depth, length and width of love? Love is strong as death. Death, life and environmental difficulties can never overcome immeasurable love. At the point where we have reached, let us walk with the same step, eye to eye, hand in hand with the same vision. We have a lot more in common than you think. I only have a minute, sixty seconds in it. Forced upon me, I did not choose it, but I know that I must use it. Give account if I abuse it. Suffer if I lose it. Only a tiny little minute, but eternity is in it. Rep. Elijah Cummings. Don't ever make decisions based on fear. Make decisions based on hope and possibility. Make decisions based on what should happen, not what should not. Michelle Obama: To forgive is to set a prisoner free and discover that the prisoner was you. Lewis B. Smedes: Real integrity is doing the right thing knowing that nobody is going to know whether you did it or not. Oprah Winfrey: Blame keeps wounds open. Only forgiveness heals. Thomas S. Manson: *Self Love as Spiritual Practice*. Ani Colt, 2011-07-05. Self Love as Spiritual Practice is an opening to more love, compassion, passion, purpose and expanded consciousness. Self love as presented in this lovely and wise book is a means to a stronger connection with Spirit, what Ani calls GODD. This is the all-loving GODD. The Keys start with knowing GODD as a friend, move to the process of intention, loving your whole self, accepting your feelings, healing, growing and having better relationships. These help us be poised to better participate in the great shift, the need to bring heaven down here to heal our planet. Self Love as Spiritual Practice provides an interactive process to help you on your personal path. Ani's own story inspires and brings life to this book. After meeting a spirit guide by a remote stream in California, she totally changed her life. The book carries love you can feel. Through Self Love as Spiritual Practice, Ani Colt reveals how the messages she received from Spirit can empower your life, evolve your consciousness and bring self love to a high level. *25 Reasons Why Christians Are Not Healed* Revivalist Dan Nolan, 2017-11-18      *Lonely No More* Margaret Paul, PhD, 2024-03-12. FEEL ALIVE AND CONNECTED ONCE AGAIN. *Lonely No More: The Astonishing Power of Inner Bonding* takes the reader on a spiritual journey of self-discovery and personal transformation, exploring the often conflicting relationship between the false beliefs of the ego-wounded self, how those false beliefs leave a person lonely and disconnected, and how to achieve true spiritual connection. Through engaging narratives and practical exercises, this book offers valuable insights into achieving a balanced, fulfilling relationship with both the self and the Divine. Throughout the book, I explore various spiritual principles and misconceptions that often hinder individuals from accessing the ever-present love and wisdom that is here for all of us. By debunking common myths, I equip readers with the tools and knowledge needed to break free from limiting beliefs and foster spiritual growth. Here's a sampling of what you will learn: The difference between getting and sharing love; The difference between self-responsibility and self-sacrifice; The difference between our true soul self and our ego-wounded self; A road map for healing loneliness by promoting self-awareness, inner healing, and personal responsibility; Healing other related conditions like anxiety, depression, shame, addictions, and relationship problems. The opposite of loneliness is not a never-ending blissful, happy, problem-free state. It is feeling alive and connected once again. The ability to

feel deeply to express the gamut of one's emotions in a healthy way and to connect to yourself others and life overall to address challenges and triumphs in a way that says yes to life is the goal of this book

**Spiritual Theology** Simon Chan, 2025-10-14 Academy of Parish Clergy Top Ten Book Theology is the doctrine of living unto God wrote the Puritan theologian William Ames Unfortunately post Enlightenment theology has tended to divorce doctrine from living unto God And to the degree that this split has been deepened and perpetuated both theology and spirituality have been impoverished Spiritual Theology is a rare book In it Simon Chan surveys the little explored landscape where systematic theology and godly praxis meet highlighting the connections between Christian doctrine and Christian living and drawing out the spiritual implications of particular aspects of systematic theology Allowing rational formulations to drop into the background he brings the mystery of the faith to the fore Chan begins with the principal doctrines of God sin salvation and the church He then progresses to a reflective consideration of the practice of the spiritual life from prayer to spiritual direction Unabashedly evangelical and truly ecumenical Chan grounds his exploration in the sources of the Protestant Catholic and Orthodox traditions His work is well abreast of contemporary theological currents and crossculturally conversant from an Asian perspective Spiritual Theology is a book for those who care deeply about theology and spirituality and strive to integrate the two It is well worth careful reflection and prayerful reading

**Making Sense of God's Love** Lorraine

Cavanagh, 2012-05-04 How can we be restored to God's love Is there a way back Many people are put off Christianity by the idea of God punishing his Son for our sins They find it hard to believe in a loving God who appears to be so angry and vindictive Many also feel that the things Christians teach publicly or privately do not work for them in real life This book therefore addresses some of the difficult questions that these people are asking It is also for those who may be wanting to return to their faith and for those who would like to explore it in greater depth It aims to create an open theological landscape which will take account of the many different ways in which we are saved and restored Making Sense of God's Love will help to guide seekers towards a new understanding of what it really means to live as people who have been forgiven and brought into an honest and deep relationship with God through the atoning and redemptive work of Jesus Christ

Boone, 2023-02-27 The Enarrationes in Psalmos is the collection of Augustine's commentaries and sermons on the Psalms Although Augustine is often at his philosophical best here bearing various resemblances to the Platonists and other philosophers he also articulates a distinctively Christian view on what we should desire on how desire has gone wrong and on how it is healed The renewal of desire takes place as a result of and through the unity of Christ and the church which is the guiding theme of the Enarrationes Augustine's Preaching and the Healing of Desire in the Enarrationes in Psalmos traces this theology of desire as it connects to Augustine's Christology his ecclesiology his account of happiness and well being and his eschatology The book closes with some suggestions on what the church can learn today from the Enarrationes in the
