Latin American Adventures in Literary Journalism Pablo Calvi, 2019-06-05 Latin American Adventures in Literary Journalism explores the central role of narrative journalism in the formation of national identities in Latin America and the concomitant role the genre had in the consolidation of the idea of Latin America as a supra national entity This work discusses the impact that the form had in the creation of an original Latin American literature during six historical moments Beginning in the 1840s and ending in the 1970s Calvi connects the evolution of literary journalism with the consolidation of Latin America's literary sphere the professional practice of journalism the development of the modern mass media and the establishment of nation states in the region

The Oxford Handbook of the Latin American Novel Juan E. De Castro, Ignacio López-Calvo, 2023 The Latin American novel burst onto the international literary scene with the Boom era led by Julio Cortázar Gabriel García Márquez Carlos Fuentes and Mario Vargas Llosa and has influenced writers throughout the world ever since García Márquez and Vargas Llosa each received the Nobel Prize in literature and many of the best known contemporary novelists are inspired by the region's fiction Indeed magical realism the style associated with García Márquez has left a profound imprint on African

American African Asian Anglophone Caribbean and Latinx writers Furthermore post Boom literature continues to garner interest from the novels of Roberto Bolaño to the works of César Aira and Chico Buarque to those of younger novelists such as Juan Gabriel Vásquez Alejandro Zambra and Valeria Luiselli Yet for many readers the Latin American novel is often read in a piecemeal manner delinked from the traditions authors and social contexts that help explain its evolution The Oxford Handbook of the Latin American Novel draws literary historical and social connections so that readers will come away understanding this literature as a rich and compelling canon In forty five chapters by leading and innovative scholars the Handbook provides a comprehensive introduction helping readers to see the region's intrinsic heterogeneity for only with a broader view can one fully appreciate García Márquez or Bolaño This volume charts the literary tradition of the Latin American novel from its beginnings during colonial times its development during the nineteenth and the first half of the twentieth century and its flourishing from the 1960s onward Furthermore the Handbook explores the region's representations of identity narrative trends and authors that make this literature so diverse and fascinating reflecting on the Latin American novel's position in world literature

The Oxford Handbook of Gabriel García Márquez Gene H. Bell-Villada, Ignacio López-Calvo, 2022 This Handbook offers a comprehensive examination of Gabriel García Márquez's life oeuvre and legacy the first such work since his death in 2014 It incorporates ongoing critical approaches such as feminism ecocriticism Marxism and ethnic studies while elucidating key aspects of his work such as his Caribbean Colombian background his use of magical realism myth and folklore and his left wing political views Thirty two wide ranging chapters cover the bulk of the author's writings giving special attention to the global influence of García Márquez

A Synergy of Styles Gloria Jeanne Bodtorf Clark, 1999-07-28 A Synergy of Styles analyzes Gabriel García Márquez's approach to fiction and journalism by studying several characteristics inherent in both types of his work Gloria Jeanne Bodtorf Clark uses *Chronicle of a Death Foretold* and *Story of a Shipwrecked Sailor* to explore the different paths García Márquez takes in creating fact and fiction García Márquez called his goal a confluence of literature and journalism These two works reflect two different approaches to fact *Chronicle of a Death Foretold* represents fiction written as fact while *Story of a Shipwrecked Sailor* represents fact written as fiction The author places these works in their historical context and subjects them to a close reading to analyze the internal workings of the narrative Clark also integrates the thoughts of many North American and Hispanic writers as well as those of many major critics on the relationship between fact and fiction

Gabriel García Márquez Stephen M. Hart, 2013-06-01 Many years later as he faced the firing squad Colonel Aureliano Buendía was to remember that distant afternoon when his father took him to discover ice Thus begins Nobel Prize winner Gabriel García Márquez's *One Hundred Years of Solitude* one of the twentieth century's most lauded works of fiction In *Gabriel García Márquez* literary scholar Stephen M Hart provides a succinct yet thorough look into García Márquez's life and the political struggles of

Latin America that have influenced his work from *Love in the Time of Cholera* to *Memories of My Melancholy Whores*. By interviewing García Márquez's family in Cuba, Hart was able to gain a unique perspective on his use of creative false memory, providing new insight into the magical realism that dominates García Márquez's oeuvre. Using these interviews and his original research, Hart defines five ingredients that are critical to García Márquez's work: magical realism, a shortened and broken portrayal of time, punchy one-liners, dark and absurd humor, and political allegory. These elements, as described by Hart, illuminate the extraordinary allure of García Márquez's work and provide fascinating insight into his approach to writing. Hart also explores the divisions between García Márquez's everyday life and his life as a writer, and the connection in his work between family history and national history. Gabriel García Márquez presents an original portrait of this well-renowned writer and is a must-read for fans of his work as well as those interested in magical realism, Latin American fiction, and modern literature.

Unwanted Witnesses Gabriela Polit Dueñas, 2019-10-01 Gabriela Polit Dueñas analyzes the work of five narrative journalists from three countries: Marcela Turati, Daniela Rea, and Sandra Rodríguez from Mexico; Patricia Nieto from Colombia; and María Eugenia Ludueña from Argentina. They produce compelling literary works but also work under dangerous, intense conditions. What drives and shapes their stories are their affective responses to the events and people they cover. The book offers an insightful analysis of the emotional challenges, the stress, and the traumatic conditions journalists face when reporting on the region's most pressing problems. It combines ethnographic observations of the journalists' work, textual analysis, and a theoretical reflection on the ethical dilemmas journalists confront on a daily basis. *Unwanted Witnesses* puts forward a necessary discussion about the place contemporary journalists occupy in the field of production and how the risks they run speak directly about the limits of our democracies.
