Edifying Justice: Paul Arthur Cassidy, 2011-12-06 As the first volume of a multi volume set this short collection of essays entitled *Edifying Justice A Wellspring of Healing* describes the changes by which the Criminal Judicial System might serve the whole scope of justice effectively With the Criminal Judicial System as its object of change this collection of essays explores the logic and historical precedents behind the idea of complementing the Criminal Judicial System with a counter balancing judicial arm It explains why the current judicial arm though suitable to the task of investigating crime and dispensing punishment is hardly suitable to the task of investigating civilness and dispensing reward nor to the task of adjudicating a certain category of offenses While intended for a general audience this collection of essays figuratively places readers in the role of jurists and legislators who are tasked to transform the abstract concept of a balanced two armed Criminal Judicial System into concrete action Given how distant is the completion of that epic task the essays more immediate aim is to persuade readers to value the full scope of justice and to prize the fairer half

essential **The Witches' Coven** Tamara Von Forslun, 2018-10-08 Witchcraft is far more than just spellcraft and celebrations. It is about honouring the ancient tradition and all the witch tools and fellowship that kept the tradition alive through the burning times before it was reawakened in the twentieth century. The Witches Coven will help you discover the secrets, the origins, and the symbolism behind every tool of the witch. Each tool has a magickal purpose as a key within our magick circle which is the temple of the Goddess and the God of Nature. Each tool is also a sacred key to a specific magickal power that acts as a conduit for either electrical, magnetic, electromagnetic, or alchemical change with one's will. Many modern witches are not aware of these ancient tools which are as important today as they were thousands of years ago, both for solitary witches and for full working covens. The coven fellowship is a committed working spiritual family and is more important now in the twenty-first century than it was in the past since we need the fellowship of a spiritual and magickal family to commit to a way of life that is as ancient as life itself. In The Witches Coven, you can work with the tools and enjoy the activities of fellowship, becoming one with the Goddess and God and all of Nature.
